At a meeting of the Carleton Branch of the G. W. V. A. last evening in the Carleton curling rink with J. G. Hart, president, in the chair, it was decided to endorse the opinion of other branches that interest from the canteen fund should be used for benevolent work in branches where there were no funds for the purpose, the principal to remain intact until some worthy object presented itself, such as the establishment of an old soldiers' home.

The radio committee reported that a meeting of representatives of all clubs, who had given support to obtaining a radio for the patients at the Lancaster Military Hospital, would be held on Saturday when plans would be made to purchase the equipment.

WOULD BAR MAGAZINE

It was resolved to enter a protest with the provincial command against a series of articles running in a United States publication freely circulated in Canada, with the idea of having the magazine barred from the country. At the conclusion of business refreshments were served.

LITTLE TIME LEFT

Nine O'clock Tonight is Last Chance to Make Statement of Income

At 9 o'clock this evening the curtain will ring down on the filing of income and personal property tax schedules, under the city assessment act. The staff in the assessors' office have been kept busy all this week and today promised to be even busier. The deadline for the filing of returns is today, Monday and Tuesday. Every person except those whose total income is covered by a return from the employer, is called on to file a statement of income and personal property. Failing to do this the assessors may strike an assessment, which in their opinion is fair, and as a penalty for not filing the statement may double that amount for the year and the party assessed has no appeal.
