## Why Double-Breasted Suits Grow More Popular

"He tells Dad just why he wants one."

The Designers have fashioned new lines in the double breasted saque suit—there is not such a big wad of cloth in front—the smart effect is there without the clumsy look of the old-time double-breasted model. This accounts for their growth in popularity.

## The "Argyle"

A. D. B. Model

George T. Creary

The Semi-ready Store  
87 Charlotte St.

Look at the new Semi-ready two-button double-breasted saque suit—designed especially for the young man, or for the man with youthful carriage. The shoulders are neat; sleeves are plain, with pretty well-shape cuffs; one button on cuff. Lapels are smartly peaked, fairly wide, made to roll past top button. The pockets are crescent shaped and aligned with the front V, with cash pocket and the usual inside breast pocket.
