EXPERIMENTER'S AGREEMENT.

Ontario, do promise and agree to properly and carefully plant all fruit trees and plants entrusted to me for experimental purposes and to give them proper care in the way of cultivation and pruning, and that I will keep a record of the same and report as to the growth of the trees and plants, their hardiness, etc., size and quality of the fruit, time of ripening, and all other information required within my power and ability to give. I will be guided by the Board of Control in making these reports and report when and to whom they may direct. I further agree to be guided by the Executive Board as to plan and methods of experimental work entrusted to me. I also agree to give any information I can to, or asked for by the Horticulturist of the Ontario Agricultural College, or by the Secretary of the Fruit Growers' Association of Ontario.

In consideration of faithfully carrying out the experimental work as outlined above, and making reports as directed, I am to receive annually the sum of dollars. All trees, plants etc., entrusted to me for experimental work when once planted shall become my property, but not to be used in any way to advance personal ends, such as controlling or propagating new varieties.

Should I fail to carry out the wishes of the Board of Control, I hereby agree to forfeit all or any part of my annual grant, as considered right and just by the said Board of Control.
