The unparalleled success that has attended the application of this medicine in all cases of PULMONARY COMPLAINTS has induced many physicians of high standing to employ it in their practice, some of whom will be glad to refer you to the most reliable Preparation ever introduced for the relief and cure of all LUNG COMPLAINTS.

From J. J. RACINE, Esq., of St. Louis, Mo. "Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence I have in its efficacy. For some months I was most cruelly afflicted with a severe and chronic cough, accompanied with acute pain in the chest, which did not leave me, summer or winter. My symptoms increased alarmingly, and my sleep was so little that I could walk but a few steps without real pain to recover from the pain and fatigue which, as all our exertion exhausted. At the instance of a gentleman taking the Balsam, from which I found relief, I purchased a bottle of the Balsam, and in less than a week I was completely cured. I have since used it in several other cases, and administered it to my children, with the most successful results. I can now sleep sound, and my health can be said to be in its prime. It is a preparation which will only be found to be as good as the Balsam of Wild Cherry." Each bottle contains 100 Doses.
