ent times, and after it was all over and they succeeded in getting away with their lives, they probably agreed to let the Van Wickel house alone in future. Eliza Johnson, who came into Mrs. Van Wickel's employ on Friday, heard a nase in the rear of the house and so told her mistress, there being no other occupants of the house. Mrs. Van Wickel pulled from beneath her pillow a revolver and started downstairs.

Going to the rear door. Mrs. Van

Wickel caimly walked out to the chicken coop, and as she neared it a tall, rough looking individual jumped out and was about to give battle when there was a flash from the woman's revolver. The man grabbed his left arm with his other hand, uttering a cry of pain, and ran. Mrs. Van Wickel emptied the remaining chambers of her revolver at him.

An hour later, half-past two o'clock, the girl heard sounds of footsteps on the roof of an extension directly under her window. Emboldened by the knowledge that she had a courageous misher she had no revolver, but there was a fin the house, the girl undertook to take care of this individual alone.

She had no revolver, but there was a mugly looking hickory club about three feet long, in a corner, and with this the girl stood close to the wall near the window sill. Eliza lifted her club, stunning him. A down came the club, stunning him. A second blow caught both hands and the fellow fell back on the roof of the one

Believing the man to be dead, the girl called Mrs. Van Wickel, and again, revolver in hand, the pair went to the yard. The man was gone, either having been carried away or being in con dition to walk.

The New Freman this morning says:

"Daniel Mullin, K. C., of this city has announced to some of his friends that he has become a convert to Liberal he has become a convert to Liberal principles and will be an aspirant for the city and county of St. John in the coming campaign. The New Freeman has no desire to anticipate Mr. Mullin's explanation of his change of heart politically. It has no doubt, however, that such an explanation will be made at an early day, and that it will be read with interest by Mr. Mullin's friends and the public generally. With Mr. Mullin mentioned in 'connection with the county nomination and Richard O'Briet again in running for the city nomination, it looks as though at least one of the two Liberal candidates for the city and county will be a Catholic."
