**COBALT DISTRICT SAID TO BE PRETTY LIVELY**  
Christian Guardian Gets After the Ontario Government for Allowing Places to Run Full Blast.

TORONTO, Ont., Sept. 22.—The new Lieut. Governor of Ontario, Hon. J. M. Gibson, was sworn in today.

Sir Wilfrid Laurier spent today in London and speaks in Clinton tomorrow.

Cobalt, Ontario's great silver mining camp, is in a bad way morally, according to the Christian Guardian, which comes out today in a strong criticism of the Ontario Government for allowing houses of vice, gambling and illegal sale of liquor, practically all over the mining camp.

Disastrous Blaze at Golden Grove

A serious fire took place on the Golden Grove road yesterday afternoon about three o'clock, when a barn and shed owned by Timothy O'Leary, was totally destroyed by fire.

At the time of the conflagration there were about thirty children at home, as the heads of the family were away. The fire first started in the barn, which was filled with hay and farming implements. The children gave the alarm and when help arrived the barn was a mass of flames and was practically a total loss.

From the barn the flames found their way to the shed and in a few minutes it was like the barn, a pile of smoldering debris. It was one of those quick farm fires that rapidly gain headway, and by the time that neighbors arrived there was only one thing to do, and that was to save the dwelling, and some implements.

With the aid of the wind, which blew in a direction away from the dwelling, and the energetic work of the neighbors, the fire was saved.

Fortunately the stock were not in the barn at the time of the conflagration, and the loss is confined to building, grain and some implements.

It is said that the barn, shed and contents of each were insured in the Ontario company for \$300, but the loss will greatly exceed the amount of insurance.

There was about \$700 insurance on the dwelling, but it was in no manner damaged. Mr. O'Leary was in the city at the time and did not see the fire. He was very shocked on learning of the conflagration.

Thistles Want to Send a Full Rink

There was a special meeting of the Thistle Curling Club last evening to deal with the invitation from the Royal Caledonia Curling Club of Scotland to take part in the bonspiel next winter.

The invitation is to four branches in Canada, viz.: Quebec, Ontario, Manitoba and Nova Scotia. The Thistle Club are connected with the Quebec branch, and according to the invitation, if accepted as originally sent, the Thistles might have only one man to be placed on a rink to represent the branch. This did not seem to appeal to the curling blood of the Thistles, so it was unanimously decided at last night's meeting that the invitation be accepted, but that the Thistle Club desired to send a rink to represent their club and that this request be considered.

EVENING SESSION.

In the evening at 7 o'clock the session opened with a discussion on the following topics: The Exodus, The Exodus, The County and City Schools: Duty of Each to the Other and Best Things We Have Seen in Each; How to Increase Interest in Conventions; The Work of the Sunday School and How to Do It; Teachers and Superintendents.

Considerable time was spent considering each topic and several helpful and instructive ideas were obtained. The schoolroom was crowded to hear the closing addresses of the evening, and after devotional exercises had been held Rev. Dr. Flinders spoke on the development of Christian liberty and the training of the child, the man and the teacher. He emphasized the importance of teaching the child when it was young and to impress upon the mind the greatest example of all—that of Jesus Christ. It was absolutely necessary to teach the child the Bible and teach it the name of the truest and noblest Christ, if we wanted to develop true love for Christian liberty.

Rev. A. B. Cohen followed and dwelt at length on the subject of "Bible Study For Men," dealing with the Bible, the importance of the Bible and the making of the Bible that should be taught. People did not read enough of the Bible and the teachers were not so much in the Bible that should be taught.
