HEAL YOUR SKIN CURE ERUPTIONS WITH POSLAM

You will never know whether or not you may be rid of that distressing skin disfigurement until you try Poslam. If anything on earth will cure it, Poslam will. The ease with which it works results in marvelous. Every day brings records of stubborn and long-endured affections quickly eradicated, diseased skin restored to normal condition, facial appearance improved, physical suffering ended. Eczema, acne, scurf, salt rheum, all forms of itch, scab, scald, psoriasis, pimples, rashes, etc., yield to Poslam as to nothing else.

Poslam, a cream, medicated with Poslam, is unequalled for the cure of any skin disease. It is safe and most beneficial soap for daily use, toilet, bath, shaving, tender skin, never irritates. The soap of absolute purity.

REPORTS AT MONCTON ARE REGREASING

Value for June Falls Nearly \$7,000 Short of Total for Month Last Year—A New Month.

Moncton, July 1.—Imports at the port of Moncton for June amounted to \$9,379 against \$65,414 in June last year. Duty, \$10,227 against \$3,719. There was a large increase in dutiable import.

A New Church.

The new church erected by the First Baptist congregation in Hillsboro, to replace that destroyed by fire on the 12th of June two years ago, was dedicated yesterday. The dedication service in the morning was conducted by prominent pastor, Rev. Wellington Campbell. There was a general meeting in the afternoon addressed by Rev. E. N. Calder, of the Hillsboro valley church and others, and an evening session of the church.

An Impending Structure.

These with the large art glass windows add greatly to the exterior appearance. The ceilings and walls of the interior, of Portland cement, and the Sunday school are sheathed in native spruce, which oiled and stained presents an appearance equal to hardwood. Between the church proper and the Sunday school room, is a large asbestos curtain which when raised throws the whole building into one and gives a certain capacity for an audience of between 700 and 800. A feature of the construction is that the wood material used except the pews was from Albert county, while all the work was done by Albert county men. There is a 2500 pipe organ and a 2450 bell in the edifice, and the total cost is \$25,000.

PRESBYTERY OF ST. JOHN

Important Meetings Yesterday - Deaconsess May be Appointed - Carleton Clergyman Goes to Moose Jaw.

A largely attended meeting of the Presbytery of St. John was held in the school room of St. Andrew's church yesterday when a number of important matters were dealt with. At the morning session a committee was appointed to confer with the Women's Missionary Society regarding the advisability of appointing a moderator and appointing a deaconess; look after girls whom as Judge Forbes remarked, wandered about the street with no object in view or frequented questionable resorts.
