Rantway Baggage Chorges. To the Editor of the Iribune. DEAR SIG: I wish through your columns to inform the public of the great injustice done to commercial travellers on the C. F & N A frailway and the prediction of the clements. In the forecastle three bodies were found which had been either frozen or starved to death, for no provimen-men who worked for the success of the Free School ticket at the last general election. There is no Sectarian School candidate in the field, all the journalists on that side having been so hadly beaten in this constituency that none of them cares to offer again, and there is not likely to be. At present, therefore, the Free School electors of the City and County of St. John have on the City and County of St. John have of the care presented to them-thet of
