good attendance on Monday.Read the letter from the president of
the F. G. A. in another column.WANTED.—At this office, a competent

ducted by Rev. H. D. deBelle.Master Jack Jones, son of Prof.
Jones, had the misfortune of having his
collar bone broken while playing foot-
ball at Oak Island, on Wednesday.The new plate-glass windows have
made a great improvement in the ap-
pearance of Mr. C. H. Borden's store.
The store now presents a very attractive
appearance.The department of fisheries has been
advised that the Canadian fisheries ex-
hibits have about the worst record in the
matter of prices, 21 medals having been
awarded to Canada.We understand that Mr. Nathan Cold-
well, has purchased the farm of Mr. Bal-
lock, at Lower Gaspe, for \$4100.
Mr. Caldwell has tried life in the United
States and has evidently found that Nova
Scotia is the best place to live in after all.
We are glad to welcome him back.One of the drivers connected with a
Wolfville delivery stable informs us that
during the present summer, since June
1st, he has made no less than seventy-five
trips to the "Look Off." He estimates
with other drivers he has driven at
least 4,000 miles already this sum-
mer.Meet your troubles with your stomach
in a healthy condition by using K. D. C.
No other tonic needed.Mr. W. H. Chase is having the founda-
tion prepared for the erection of a resi-
dence on the lot which he recently pur-
chased from Mr. A. A. Pines. We under-
stand that the work will be begun
on the building as soon as the foundation
is ready, and we may expect another fine
residence added to the number that
already adorn our town.The Presbyterian Sabbath-school picnic
on Tuesday and the Baptist Sabbath-
school picnic on Wednesday, both of
which were held at Oak Island, Annapolis,
were favored with two of the finest days
of the season. The attendance at both
was good and the young people appeared
on their return to have enjoyed them-
selves very much.—The Episcopal Sab-
bath-school held their picnic yesterday
at the "Look Off." They also were
highly favored in having a perfect day.Don't wait until it is too late before
trying K. D. C. It cleanses and heals the
stomach, invigorates and tones the sys-
tem. No other tonic needed. Take it
now.

Churchill, Baptist Missionary in India

ARMSTRONG & HIGGINS.

General Herbert, who was at Alder-
shot Camp last week, left on Saturday
for Fredericton via Halifax. The Gen-
eral expresses himself as much pleased
with the camp. We are also informed
that the officers and men pronounce the
General a soldier and a gentleman.The Ontario Mutual Life Assurance
Company is one of the most generously
popular companies doing business in our
midst. In another column will be found
an open letter in reference to the prompt
payment of a claim, recently made, which
shows the business-like manner in which
this company meets its obligations.Mr. F. W. Woodworth has rented his
dwelling on Chapel street to the Metho-
dist church for a parsonage, and the pas-
tor, Rev. Mr. Gronlund, has moved in.
The new parsonage is convenient and in
every way suited to the requirements of
the congregation. Mr. Woodworth is hav-
ing a cellar excavated for a residence on
the east side of his lot, and will erect a
dwelling for himself at once.Ward of diseases by taking K. D. C.
It restores the stomach to healthy action.
A healthy stomach tones the system.
Try K. D. C.People that heard Rev. Robert Mc-
Donald in the Baptist Church last Sun-
day afternoon do not wonder that he
occupies one of the most conspicuous
pulpits in New England. His sermon
was based upon "Simon Peter," and was
a torrent of eloquence and dramatic
oratory. The church was filled to its
utmost capacity by people of all denom-
inations. There were present people
who years ago, predicted a brilliant future
for the young man, and they seemed to
realize its fruition. Mr. McDonald is as
yet in the very morning of his fame and
usefulness. If he has health, he will be-
come one of the few great preachers
speaking the English language.—George-
town (Mass.) Advocate.The Rev. gentleman mentioned above
is a graduate of Acadia, and is one of
the many who have gone out from her halls
to occupy positions of prominence and
bring honor upon their alma mater.We understand that the W. C. T. U.,
of this town, has made arrangements to
have a lecture delivered here by Miss
Lillian M. Phillips, of St. Catharines, Ont.,
in a few weeks. The subject of the lec-
ture will be "Woman Suffrage." Miss
Phillips is spoken of as a talented and
clever speaker. We select the following
flattering press notices from a long list
before us:As a lady speaker on the temperance
question, Miss Phillips has no superior in
Canada.—Toronto Herald.Miss Phillips possesses a pleasing pre-
sence, a good articulation and in the most
rapid passages every word is clear and
distinct.—Branford Register.No good blood is made by the Dyspep-
sia. K. D. C. makes good blood by re-
storing the stomach to healthy action.
Ask your druggist for it.Arthur H. Cunningham, senior clerk
in the money order office of the Halifax
post office, died at his residence in this
city early yesterday morning. Mr. Cun-
ningham has been ill for several months.
Early in the spring he tried a warmer
climate in the hope that the change would
restore him to health, but he returned to
his home after a few weeks absence, none
the better for his trip, and since then he
has been gradually declining. Up to the
time when he was obliged to wholly
abandon the discharge of his duties
in the post office there could be no more
faithfully punctual official than Mr. Cun-
ningham. For twenty-five years he was the prin-
cipal clerk in the money order office, and dur-
ing that long term of service, except when
on regular vacation, he was rarely absent
from his post. In every respect he was
an exacting degree, to the department
in an exacting degree, to the department
was undoubtedly a serious loss.The deceased was well known in Wolf-
ville being a son-in-law of Mr. D. R.
Thompson. The remains were brought to
Wolfville on Wednesday morning and
interred in Willow Bank Cemetery.AHEAD OF EVERYTHING in the line of
