I Want You

... IF ...

You Want Money

Made in an honest way while doing a public good, and building for yourself a larger business.

I want one druggist in every county in the United States and Canada to act as my General Agent and keep supplied every other dealer in that county with my goods.

I am no quack doctor with a dope, no Gee-Hee Pagan-Chinese Joe-He Indian long-haired poke-root decoctor, or returned missionary from India, but a plain every-day honest American Geologist, with a discovery made in the mines—a nature-made article, nothing added or extracted. Nothing ever made by man sells like it sells and holds its friends, and I am able, ready, and prepared to prove it at my own expense to any honest druggist in every county as above. It has never before been offered to the trade, and will not be sold to the wholesale dealers for its weight in gold.

I want to correspond and conclude a deal with one dealer as above, who wants to increase his business and expects to stay where he is, and who is worthy of credit and confidence.

Remember I am only going to deal with one in a county, and in such a way that he will be protected from all outsiders. This is no humbug or swindle, and not a cent will be required of you until after you have made money at my expense.

THEO. NOEL, Geologist
