

PARAGRAPHIC.

A QUESTION.

How can we raise more corn to the acher? Why, of course, by using PUTNAM'S PAINLESS CORN EXTRACTOR. Putnam's Painless Corn Extractor has given universal satisfaction, for it is sure, safe and painless. Like every article of real merit it has a host of imitators, and we would specially warn the public to guard against those dangerous substitutes offered for the genuine Putnam's Extractor. N. C. Polson & Co., proprietors, Kingston.

Water that is deadly to fish, as when contaminated with kiescite and especially with magnesium chloride, is dangerous for economical and alimentary uses.

THE BITES and Scratches of Dogs and Cats are readily cured by bathing in Perry Davis' Pain-Killer.

Silicious bronze is recommended in Cosmos for use in telegraphy. It has electric conductivity equal to copper, and mechanical resistance greater than iron.

Is any of the readers of this paper do not know of Johnson's Anodyne Liniment we urge them to find out about it. Write to Dr. Johnson & Co., of Boston, Mass. It is the most marvelous remedy in the world.

In the equatorial-lake region of Africa missionaries have discovered that a kind of beer, made of bananas, is a preventive of malarial fevers and necessary to their health.

SCOTT'S EMULSION of Pure Cod Liver Oil, with Hypophosphites.—Has the advantage of being palatable and easily digested, and these two well-known remedies being combined, are more potent in their remedial effects than if taken separately, and increase flesh and strength with remarkable rapidity.

Sulphurous acid exists in the air of towns where coal is consumed, causing a considerable diminution of atmospheric ozone, accompanied with the formation of sulphuric acid.

A NEIGHBOUR gave me a dose of DR. SMITH'S GERMAN WORM REMEDY and it removed a large number of worms from my children after all so-called worm medicines failed.—THOS. McELLIOTT, No. 51 Anderson street, Montreal. 25 cts, of all druggists.

Natural gas in the foundries, factories, breweries, &c., of Pittsburgh, Pa., is used to such an extent as fuel, that the consumption of coal is reduced by 40,000,000 bushels.

Dyspeptic symptoms, low spirits, restlessness, sleeplessness, confusion, sour stomach, pain in the bowels, sick headache, variable appetite, raising food, oppression at pit of stomach, low fever and languor, Parson's Purgative Pills give immediate relief and will ultimately cure the disease.

"O, Lor' Hit 'im Again!"

In the early days of Methodism in Scotland, a certain congregation, where there was but one rich man, desired to build a new chapel. A church meeting was held. The old rich Scotchman rose and said:—"Brethren, we dinna need a new chapel; I'll give £5 for repairs."

Just then a bit of plaster falling from the ceiling hit him on the head.

Looking up and seeing how bad it was, he said: "Brethren, its worse than I thought; I'll make it 50 pun."

"Oh, Lord," exclaimed a devoted brother on a back seat, "hit 'im again!"

There are many human tabernacles which are in sore need of radical building over, but we putter and fuss and repair in spots without satisfactory results. It is only when we are personally alarmed at the real danger that we act independently, and do the right thing. Then it is that we most keenly regret because we did not sooner use our judgment, follow the advice born of the experience of others and jump away from our perils.

Thousands of persons who will read this paragraph are in abject misery to-day when they might be in a satisfactory condition. They are weak, lifeless, full of odd aches and pains, and every year they know they are getting worse, even though the best doctors are patching them in spots. The origin of these aches and pains is the kidneys and liver, and if they would build these all over new with Warner's safe cure as millions have done, and cease investing their money in miserably unsuccessful patchwork, they would be well and happy and would bless the day when the Lord "hit 'em" and indicated the common sense course for them to pursue.—London Press.

The unanimous voice of the druggists of Halifax:

We, the undersigned druggists, take pleasure in certifying that we have sold Puttner's Emulsion of Cod Liver Oil, &c., for a number of years, and know it to be one of the oldest as well as (especially of late) one of the most reliable preparations in the market for the cure of consumption, bronchitis, asthma, coughs, and all lung diseases. The sale of it (Puttner's Emulsion) is steadily increasing, and is larger than for all other preparations of the kind in the market combined. We know of no article that gives greater satisfaction to those who use it, and we do not hesitate to recommend it.
