GO TO THE HEART OF BUSINESS.

Many public accounting firms will train you to be an accountant. At Clarkson Gordon we will develop you as a business advisor—a training that will open up a tremendous range of senior career opportunities within our firm or in virtually every area of business and government, in Canada and worldwide.

You will be given hands on decision making responsibility in a wide variety of business situations, where you will be challenged to your highest capacity. And rewarded accordingly.

You'll benefit from a unique staff structure and a training program that consistently produces one of the highest CA graduate rates in the profession. And at every step of the way, you'll be backed by the experience and resources of one of the most respected firms in Canada.

For full details on how Clarkson Gordon can show you the road to the heart of business, see your campus career counsellor or send your resume to:
