To the guy who returned my girlfriend's red coat and wallet last Thursday night at the Hill Top (Oct. 30 Phys. Ed Nite) Your kindness showed through your drunkenness. Thank you.

To the guy who stole my girlfriend's return bus fare home from her wallet in her red coat last Thursday night at the Hill Top (Oct. 30 Phys. Ed nite). The loss of that money really highlighted the last night of her visit. Drunkenness is an excuse. Return of money and an apology would be accepted and appreciated. 450-6841

Many thanks to Beverley R. White, Gary Mitchel, and Nico I.W. VanKats for their marvelous articles about Mr. Roddenberry in last week's Brunswickan. You did us all honour. Live long and Prosper.

Happy belated birthday to our ageing roommate, Lucy,
Too bad that they're going to sag as soon as you get them. It was a good party, too bad you wasted all your time on a bad prospect. Should have found a skin monster. We had what you wanted for a present, it's not our fault it got away. It wasn't the right size anyway. Party at the Hilltop Saturday.

Happy anniversary, the past 17 months have been the greatest. Thanks for all your help and support over the last few months. I couldn't have made it without you. I love you more than ever.

To the girl in PSYC 100B (Hughes) with the long black hair. I've been watching you and would like to get to know you better. Why didn't you talk to me at the social on Friday? If you're interested come sit beside me in class. The blond at the back.

We've already seen our first movie together (Grondin's Culture video). Sorry I couldn't stop and talk Saturday night at the Club but my tongue was tied with Tequila and nature wanted me on the phone. Maybe we could catch a more exciting flick that won't be tested on the final.
P.S. if you'd like to pull a Siskel and Ebert, I'm always at the SUB (or on the door).

My lips, two bushing pilgrims, ready stand to smooth that rough tough with a tender kiss, for thou kissest by the book.
My heart is heavy for our eyes do not meet, this weekend, but yet it beats strongly at the thought of our reunion next week!!!!
Juliet, you are truly "hard to the core." . . .an entrepreneur"
