

Net empty for one period

Clarkson wins despite lack of goaltender

The fact that Clarkson defeated Dixie 2-1 is by itself not of earth shattering significance.

What makes this game significant is the fact that Clarkson won the game without the use of a goaltender for the entire first period.

Despite this manpower shortage Clarkson did manage to win the Mississauga Hockey League Atom White play.

David Keenleyside and Mark Finlay notified the other Lorne Park goals. For Cooksville, John LeBlanc and Greg Krush each fired a pair of goals with Marco Disommonne adding the single marker.
