

6079

River Bourgeois, N.S., July 10, 1909

EX. 348548

2
Lands
Branch

Sir,—

On looking over the original of my report to you of yesterday's date, it has just occurred to me that I may have omitted the following sentence,—"There is no wood of any kind on a large portion of it," which should appear as the last sentence but one in the second paragraph.

Your obedient servant,
A. J. Boyd,
Indian Supt.

The Secretary,
Department of Indian Affairs,
Ottawa.
