December 9th. 1925.

Rt. Hon. Arthur Meighen,
OTTAWA, ONT.

Dear Arthur:-

Your letters of December 4th. to hand,
and I appreciate very much indeed, the attitude taken by you,
on this subject, indeed, I concur, almost to the letter, in
the view that you express.

It may be interesting to you to know,
that I find an almost universal feeling of bitterness and
contempt for MacKenzie King, in the course he has pursued.
On the other hand, there is undoubtedly, an almost austere
demand for a strong active Government on our part, if we take
hold.-that is, people are looking for something that will be
the direct opposite to the MacKenzie King Government record
for the last few years.

Yours sincerely,

H. H. Stevens
