

Ottawa, November 3, 1914.

I enclose for your report therein an account which has reached the Department from the Canadian Oil Companies, Limited, for goods which it is claimed were supplied your Agency in July last. You should inform the Department why, if the goods in question were received, you did not forward the account for same so that payment could have been made at the time delivery was made.

Your obedient servant,

For Asst. Deputy & Secretary.
