RAINBOW VALLEY

By L. M. MONTGOMERY

Author of "Anne's House of Dreams,"

"Anne of Green Gables," etc.

Full of a splendid wholesome-ness, a delectable humor and pure romance, Miss Montgomery's new novel, again staged on her native Prince Edward Island, tells of the everyday events in a community of simple, kindly people whose lives—sometimes dramatic, sometimes prosaic—are the counterpart of other lives the country over.

The six children of Anne Blythe (of "Anne of Green Gables" fame) and their four young neighbors of the Manse are just the sort of lovable incorrigibles that keep the town aghast at their mischief while it secretly gloats over their irresistibility. It is around their adventures and misadventures that the story turns and it is partly through them that two romances are brought to a happy outcome.
