

# THE MODELLING OF A KITCHEN MECHANIC

Let the Mistress of the House, take two pounds of the very best self control; one and a half pounds of justice, one lb. of consideration; 5 lbs. of patience, and 1 lb. of discipline. Let this be sweetened with charity; let all simmer well. Let it be taken daily, (in extreme cases, in hourly doses).

IF KEPT ALWAYS ON HAND AND TAKEN AS DIRECTED, THE DOMESTIC WHEELS WILL RUN QUITE SMOOTHLY
