VICTOR RECORDS

It isn't any one thing, but ALL things combined that make VICTOR Quality.

Best Artists Caruso, Calve, Eames, Farrar, Gadski, Homer, Melba, Flancon, Schumann-Heink, Scotti, Sembrich and Tetrzini, are among the world's greatest operatic stars who make records exclusively for the Victor.

Sousa and his band, Fryor's Band, and many famous instrumental soloists make records only for the Victor.

Harry Lauder, May Irwin, Vesta Victoria, Nat M. Wills, Clarice Vance, Alice Lloyd and Maude Raymond are among the leading vaudeville artists who make Disc Records only for the Victor.

Best Selections The choicest Masterpieces of the greatest composers, favorite hymns, the good old songs of heart and home, as well as the newest and most popular selections of the day.**Best Recording** Every part of every selection perfectly recorded on Victor Records. If there happen to be even the smallest flaw, the artists sing or play the selection over again until every part is absolutely perfect. The artists are just as particular as the Victor laboratory staff to have every selection perfect.**Best Materials** The materials used in making Victor Records are the best that money can buy. The various ingredients form a scientific compound, particularly adapted to fine tone recording and reproduction, that was discovered only after long research and costly experiment by the Victor staff of expert chemists. Every Victor Record is carefully made by skilled workmen.**Best Reproducing** The result is that every Victor Record has that unequalled, sweet, clear, true-to-life, musical tone-quality which puts Victor Records in a class by themselves far above all competition.

Every VICTOR RECORD is a work of art.

Any Berliner-Victor dealer will gladly play any Victor Records you want to hear.

Write to us today for complete catalogues of the Victor Gram-o-phone and Victor-Victrola, and of 3000 Victor Records.
