

The Best Investment AND Where to Get It!

THE man aged 30 who invests, say \$216 per annum for seven years in a Building Association which is honestly managed, which meets with no losses, will in case of death, say after seven years, have provided for his estate to the extent of possibly \$4,000. The man who invests \$216 in the MANUFACTURERS' LIFE will, in case of death, the moment the premium upon his policy is paid, have provided for his estate to the extent of nearly \$15,000, if insured on the ten-twenty plan, and the same sum invested in a twenty-year endowment will add \$5,000 to his estate at death, and if he lives to complete the payment of his twenty yearly premiums HE WILL THEN HAVE IN HAND VERY NEARLY AS MUCH MONEY, IN ADDITION TO HIS POLICY OF \$5,000, AS IF HE HAD TAKEN THE BUILDING ASSOCIATION STOCK.

SUCCESSFUL FARMERS USE FREEMAN'S HIGH GRADE BONE FERTILIZERS

They produce large crops of grain, roots, vegetables and fruit of superior quality.
WHEAT ONE-THIRD LARGER YIELD.
Having used your Sure Growth Fertilizer for the past three seasons, it is with pleasure I recommend its use to others. I commenced with one ton the first season, and two years ago purchased from you two tons, and last season two and one-half tons. Always used it on fall wheat at the rate of about 200 pounds per acre, and am fully convinced I had at least one-third larger yield and finer sample than where no fertilizer was used. Thanking you for your prompt delivery, I remain,
