

WEAK MEN THIS BELT IS FREE

Until You Are Cured

Take my Electric Belt for what it will do for you. Wear it while you sleep at night or while you are resting after your work. You will find it a vitalizer, a tonic to your nerves, a rejuvenator of waning vitality. Use it for any ailment which drugs have failed to cure, and you will never cease praising it.

I claim that I can cure weak men; that I can pump new life into worn-out bodies; that I can cure your pains and aches, limber up your joints, and make you feel as frisky and vigorous as you ever did in your life. That's claiming a good deal, but I have got a good remedy, and know it well enough to take all the risk if you will pay me when you are cured.

No man can lose on this. If the cure is worth the price, you don't have to pay for it until you get it. When you are ready to say you are a big, husky and frisky specimen of vigorous manhood; that you haven't got an ache or pain in your whole body and that you feel better than you ever did in your life, I get paid. If you can't say it after using my Belt for three months, then give me back my old Belt and I won't ask a cent. All I ask is security while you use it.

A short time ago I took a case that I couldn't cure, and I didn't see why, as I had cured hundreds like it. Anyway, my patient returned the Belt and said I hadn't done him any good. He said he thought I had treated him honestly, and wanted to pay me the cost of the Belt, because it couldn't be used again. I refused and told him that I had made a contract to cure him or get nothing, and I wouldn't take a dollar I hadn't earned.

"I am highly satisfied with your Electric Belt. Pains in my back are gone, and digestion is perfect."—JOS. RICHARD, 260 St. Catherine Street, Montreal.

"Your Belt is everything you claim it to be. I feel like a new man. Stomach does not bother me now. Have gained in flesh and strength. Can eat and sleep well. I am very thankful I became your patient."—JAS. BIGLOW, Mount Maple, Que.

"I am now wearing your Belt for a month, and am feeling better in every way. The rheumatism has decreased in severity, and I am well pleased with the benefits I have already received."—JOS. MALBOEUF, Shawinigan Falls, Que.

I have cured thousands of men who have squandered the savings of years in useless doctoring.

My Belt is easy to use; put it on when you go to bed; you feel the glowing heat from it (no sting or burn, as in old style belts), and you feel the nerves tingle with the new life flowing into them. You get up in the morning feeling like a two-year-old.

Wherever you are, I think I can give you the name of a man in your town that I have cured. Just send me your address and let me try. This is my twenty-fourth year in the business of pumping new vim into worn-out humanity, and I've got cures in nearly every town on the map.

If you will come and see me I'll explain it to you. If you can't call, let me send you my book full of the things a man finds inspiring to strength and courage. Free if you send this ad.

GOSSIP.

Mr. David Duncan, of Don, Ont., ordering change of advertisement, writes: "The sale of Jersey bulls has been extra good since the fairs last fall. We have just made a rather important sale, Golden Lad of Don, to the Erindale Stock Farm, Limited, Erindale, Ont., owned by the well-known dairymen of Toronto, S. Price & Sons. Golden Lad of Don is by the sweepstakes bull, Golden Lad of Thorncliffe, who is head of our herd, and dam, Gusie Curtner, who is so well known in the show-ring, and was sweepstakes cow at Toronto and London last year. Gussie Curtner is not only a show cow, but a great producer, having milked as high as 47½ lbs. of milk in 24 hours. Messrs. Price & Sons are to be congratulated on securing such a promising young bull, with the breeding he has, and from such an excellent producing cow, and if he gets stock at all like his sire and dam, his owners, we feel sure, will not be disappointed in him. We have other promising young stock which we will be exhibiting at the leading fairs this fall, and would be glad to meet parties inquiring for same."

THE KING'S HORSES.

Ten aristocratic horses reached Toronto on July 30, direct from the country estates of King Edward VII and Lord Rothschild. They are Shire horses—once the great horse of the armored knights at the wars and tournaments, and now the leading breed for draft purposes in England. The majority have long records as winners at English shows of Shire or Clydesdale stock. They will be exhibited, but not entered for competition, at the Canadian National Exhibition, Toronto, August 27th to September 10th; Ottawa, September 7th to 15th; London, September 17th to 22nd, and at Kansas City Live-stock Show, beginning October 7th. King Edward owns 5 and Lord Rothschild as many. His Majesty's consignment being three fillies and a pair of geldings, all bred at Sandringham. The geldings are a magnificent big and heavy pair, standing over 17 hands, and hefting over a ton each. "We have never had them weighed," said Timothy Cook, the head groom, who has ruddy cheeks, and was in riding gaiters and breeches, "but we know they are over a ton all told."

They are broken to harness, but will only be shown to halter. The King's geldings are a five-year-old brown, first-prize winner at Peterborough Show this year, and a six-year-old bay, by Salisbury, and grandsire Premier. The two geldings would bring at least \$3,000 apiece in the Bull's Head marts at sight. The three-year-old filly, Faconia, and the two-year-old, Perseverance, are browns, with white fetlocks, and by the King's stallion, Calwich Blend. Yearlings by this sire sell at public auction at \$1,500, and the fillies have weight and character, besides showing record. The King's yearling is also brown, Buscot Vain Maid, by Buscot Forester, and a winner at Derby and Peterborough.

Lord Rothschild sends the brown stallion, Girton Charmer, junior champion at the London Shire Horse Society of 1904, and champion in 1905. His sire is Mormaer of Batsford, and dam Southgate Charm, by Harok. He was let for a high price to the Louth Breeding Society in 1905, and to the Kettering Breeding Society this year. An offer of \$15,000, it is said, would not buy Girton Charmer. The gayest carriage and general appearance is the companion stallion, Premvictor, by Bury Chief Victor, and an equally valuable one. They are both over 17 hands and of massive conformation. In Lord Rothschild's lot, too, were the champion mare, Blythwood Guelder Rose, and weanling filly, informally christened in transit, Queen of the Roses, and the yearling colt, Kinsman, a brown, with blaze face, by Thrupp's Rival. The horses came direct from Sandringham and Lord Rothschild's farm, Tring Place, in Herts. Squire Beck, of Peterborough, and head groom, Cook, are in charge. There are half a dozen stable hands with the horses. All the horses are in fine condition and wear glossy coats.
