THE CONCISE

Imperial Dictionary.

As an instance of what the critical press say of this Book, take the following dictum of the Academy, (London, Eng.):—

"It stands first, and by a long interval, among all the one-volume English Dictionaries hitherto published."

And the Spectator says:—

"It holds the premier place."

Beautifully and strongly bound in half morocco, it will be sent to any address, carefully packed and post-paid, on receipt of \$4.50, or in substantial cloth binding for \$3.25; or it may be had at the same rates from any respectable bookseller.
