

Cheer up —get this Overland

People who have never driven a car—
People who have driven small cars—with apology
and discomfort—

People who have driven the larger, more expensive
cars—and counted the cost—

People with no experience—people with much ex-
perience—people of small means—people of wealth
—all find this \$850 Overland their ideal automobile.

That's why it has swept the continent like a prairie
fire—taxing to the utmost our enormous capacity
which is easily double that of any other producer of
cars of like size and class.

No need longer to ask "Can I afford a car?"

The price of this Overland is \$850 and it is abso-
lutely complete to the last detail—there is not a single
extra to buy.

And it is the last word in upkeep and operating
economy.

No need longer to ask "Will I be satisfied with a
small economical car?"

You will drive the \$850 Overland with pride in any
company—on any occasion.

You will be proud of its appearance.

The comfortable roominess and its easy riding
qualities will be another source of pride.

Its power and speed, and all round performance,
will give you thrills which more than anything else
arouse the owner's pride in his car.

So here's what you've waited for, there's nothing
left to ask.

There's just one thing left to do.

See the Overland dealer—have him show you the
car and demonstrate it.

Then place your order without delay for the buy-
ing is already heavy and there is a limit even to
Overland production capacity.
