**EDITORIAL NOTES.**

The trackman on the Grand Trunk way are far from satisfied with the ten cents advance per day given the men on the main lines. The executive committee of the trackmen had an interview with Manager Hayes last week but got no satisfaction, as no further increase will be given at present.

The Minister of Railways gave the House a statement of the receipts and expenditure of the Intercolonial Railway for the year ending June 30th. The gross receipts were \$3,733,331 and the amount of working expenses and total outlay \$3,675,686, leaving a surplus of \$57,645. The expenses included the rental of the Drummond County Railway \$211,000.

The West Huron election examination before the Privileges and Election committee is about over and nearly 100 witnesses have been examined. The committee will report to the House at an early date. There seems to be strong evidence of crooked work, and the Liberal party will do well to have a thorough cleaning out of all workers of the Captain Sullivan and Dep. Ref. Officer Farr stamp before another election is held, otherwise they will come to grief.

The trial of Dreyfus opened at Rennes on the 7th inst. The prisoner made straight denials of any guilt on his part, and claimed that he had no relations directly or indirectly, with any foreign power, with a view to supplying information to the detriment of France. He never made any admission of guilt to anyone at any time either before or after his first trial. There are about 100 witnesses to be called. The court decided to sit with closed doors, during the examination of the secret dossier, and will take four days to complete the examination so that it will be Saturday before there will be another public session of the court.

Lloyd's agent at Manila cables that the insurgents have captured the United States Sarras. The steamer was coasting under the American flag and was burned. The crew are missing. The campaign seems to be at a standstill at present. Aginaldo is said to be negotiating with the British North Borneo Company for the lease or sale of Banguey Island. The Filipinos who are arranging the deal say that in case of defeat, Aginaldo and other leaders with a large section of the Filipinos may settle in Banguey, under British protection and the Company's rule.

Last week the self propelled Traffic Association had an elaborate series of tests at Liverpool of motor wagons. Six different types of English-made wagons competed, carrying loads from two to three and a half tons up steep stone paved hills of a grade of one in nine. The motors stopped in the middle of the steepest hill to test their starting power and five out of six succeeded. Other tests included a 35 mile ride through the thick traffic of hilly Liverpool streets. All the wagons acquitted themselves satisfactorily. The tests were made at an average speed of sixteen and four-fifths miles per hour. The Liverpool corporation has introduced motor dust wagons at a cost of fifty per cent. less than horse power.

Herr Montag of Mannheim, claims to have made a very valuable invention in the way of manufacturing artificial coal. He says: "I may say that from the point of view of hygiene, the artificial is preferable to the ordinary coal, as it does not develop poisonous gases, and creates little soot. It leaves no stay and only a small amount of ashes. There is no danger of an explosion. The fuel is composed of from 92 to 94 per cent of ordinary earth and from 6 to 8 per cent of chemical ingredients. It is cheaper and better than coal. Any piece of land can be used for producing the fuel. The cost of the plant to manufacture the fuel is low. The fuel gives greater heat, longer combustion, and needs less storage room than coal. One ton will do the work of 1 1/2 tons of ordinary steam coal at 30% less cost."

Matters are evidently coming to a head in the Transvaal and Cape Colony. The colonial secretary, Mr. Chamberlain, made a statement yesterday in the House of Commons in reference to the Government policy which speaks for itself. "We recognize the grievances of the Uitlanders and have said that these grievances are not merely themselves a serious cause of interposition, but are a source of danger to the whole of South Africa. We say our predominant policy is remedied by the action of the Transvaal in refusing to redress the grievances or give consideration to requests hitherto put in the most moderate language of a suzerain power. We say that these things cannot be tolerated. We have put our hands to the plough and won't draw back. With that statement I propose to rest content."

The Volksraad, amid much enthusiasm and acclamation, passed an amendment to the constitution empowering the Government, in the event of war, to call upon every inhabitant, without distinction, to assist in the defense of the State. We presume this does not take in the ladies, but no reservation is made in the despatch.

Additional troops ordered to be in readiness for despatch to South Africa include a battalion of the Grenadier Guards and three batteries of artillery.

**Suffering caused by Piles**

Is Quickly Ended when  
**Dr. A. W. Chase's Ointment is applied**

Besides the intense agony caused by the itching, burning sensations of piles, there are other symptoms which produce restlessness and at times excruciating pains known only to the victim of piles.

What would one give to be free of this terrible disease? And yet there is a cure—a positive cure—which does not cost much and is not painful or difficult to apply.  
 Dr. A. W. Chase's Ointment is, so far as is known, the only absolute cure for blind, itching, bleeding and protruding piles. It gives relief at the first application and affords a perfect cure in the most aggravated cases.

Mr. Isaac Foster, Erieview, Ont., says: "I was troubled with itching piles for two years and could not sleep at night. I was half-crazed and tried everything. Finally seeing Dr. Chase's Ointment advertised I tried it and found it good. After a second application I found relief, and one large box cured me. Have never been bothered since, and I can recommend it to all suffering from the same trouble."

Dr. Chase's Ointment is for sale by all dealers, or Edmanson, Bates & Co., Toronto.

**VIOLENT HEADACHES**

Accompanied by Indigestion and Constipation cured by Dr. Chase's Kidney-Liver Pills

From Bath, Ont., comes the particulars of a remarkable cure effected by Dr. Chase's Kidney-Liver Pills. Mr. Jos. Gardiner was for forty years the victim of indigestion, constipation, and violent headaches. Nothing seemed to have the desired effect until he began the use of Dr. Chase's Kidney-Liver Pills, and they effected a complete cure. Mr. Gardiner writes:

"I have been troubled for over forty years with indigestion and constipation, would go for two weeks at a time. At intervals I would be taken with violent headaches. I spent dollars and dollars in vain, and was finally advised to use Dr. Chase's Kidney-Liver Pills, and must say that they are the only remedy that gave me permanent relief. I would not be without them for anything."
