NINTH ANNUAL SALE OF HOLSTEIN CATTLE

Some Very High Prices Paid Stock—Average
Prices Reasonable—Feature Was
Sale of \$1,060 Bull.

The ninth annual consignment sale of Holstein cattle held yesterday under the auspices of the Belleville District Holstein-Friesian Breeders' Club was one of the most successful in the history of the organization. Ninety-four head came under the notice of the auctioneer, Mr. Norman Montgomery, and the total of the sale realized \$18,930, an average of over two hundred dollars each, including calves that sold at \$30 or \$50.

The attendance was the best seen at any sale the club has held, a very large tent being required to accommodate the crowd. The auctioneer rushed the sale through on good time, finishing at 6 o'clock railway time, after about 5 hours' work.

Sales manager James A. Caskey in opening the sale, said "We have in Belleville district, the best blood lines. Cows that have sold here in the past have maintained their good records with their new owners."

The highest priced stock was that consigned by E. B. Partelle, of Bloomfield. Five of his sold for \$3100, an average of \$620 per head. The best price of the sale was secured by an eleven months old bull, Sir Echo Alcatra, namely \$1060. This young bull shows his excellent breeding. He is a grandson of May Echo Sylvia, the world's champion cow. Bidding started at \$500, advanced to \$700, then to \$900 and \$1000. Finally it reached the figure of \$1060.

The next animal, Sylvia Alcatra, a three year heifer, brought \$925. This animal was consigned by Mr. Partelle. She is a granddaughter of King Segis Pontiac Alcatra.

Mr. Carman Baker of Brighton had some fine cattle. His high price was \$530 for Patti Bell DeKol, a four year old heifer.

Mr. Fred Denyes had a \$500 cow, a six year old cow, Echo Pauline Sylvia 2nd. She was bought by Mr. Hennessey of Codrington. This cow is a half sister to May Echo Sylvia.

Last year's high price was \$1,125 for Daisy Gerben Verhelle, consigned by Mr. Brock Scripture of Brighton. The officers of the club are—

Obituary

JOHN G. CUNNINGHAM.

The death occurred yesterday of John G. Cunningham at his home in the first concession of Ameliasburg. Death was due to senility. Mr. Cunningham was born in Ameliasburg 75 years ago. He was never married. He was a son of the late George Cunningham. In religion Mr. Cunningham was an Anglican. He leaves a brother Henry and a sister, Mrs. Eliza Tweed, of Port Hope. He was a farmer, having resided all his life on the Cunningham homestead.

PLEASANT VIEW, SIDNEY.

April 3.—We see so many neighborhood notes in this good paper, please let us pull up our chair and chat once in a while. Some say we were all asleep this winter, but we are waking up with sugar weather.

Mrs. Clarence Vermilyea has gone to Edmonton, having been called there by the serious illness of her father.

Mr. and Mrs. N. Vermilyea are having an enjoyable time in California.

We have a number of new 'phones so we will surely keep up to times now. Mrs. McGurn, Mr. D. Haslip and Mrs. S. Phillips are added to the list.

Mrs. R. Olliver, of Winnipeg spent the week-end at Mr. H. Jeffery's after spending the winter in the east. Captain Frank Olliver has arrived from overseas and is visiting his mother and sister, Mrs. R. Olliver and Mrs. Jeffery. His wife is also with him, having come east from Winnipeg to join him at Ottawa.

We are all pleased to see Carl Reed home again after serving nearly 2 years in France and also glad he is one of the fortunate ones to come back to us.

The Farmers Club have organized a branch in our neighborhood with

Mr. Frank Knight as president.

A uniting was held on Wednesday last at the home of Mrs. S. Lloyd, using up the Red Cross pieces. There were about 30 present and the "King's Daughters," a class of girls organized by Mrs. E. Ketcheson, met after school and served lunch, thereby realizing a nice sum for their class work. Votes were taken among the members present for the life member of the Red Cross circle and Mrs. S. Lloyd was the one chosen to wear the Red Cross pin.

We are sorry to part with our faithful mail-carrier, Mr. E. Cummins after so many years successful work, but hope Mr. Nell proves a good substitute.

Sorry to report Mrs. Chas. Pope not so well again.

Mr. Albert Holmes is better after his recent illness.

Mr. C. Bailey sports a Ford car. Just wait until the roads are better Charlie.

We say three cheers to our city editor for his editorial in Monday's paper. How would the city cousins like to get up at 3.30 a.m. to get the milk ready for the new time and then during berries or harvest wait until perhaps 9 o'clock for the dew to be off to be able to go to work? Then by 4 p.m. start milking again as cows must be milked regularly and hired help want to quit by new time? Why not let the city stores start work at 7 where they had opened at 8 or factories at 6 in place of 7? Then they would have their daylight saving and no confusion of clocks and sun time.

Well we hope to have warmer weather next time we run in for a chat.

Real April Fool Joke in Toronto

Fake License Inspector Gets Away
With Large Consignment of
Liquor.

"I'm an inspector from the Ontario License Department and have come to see whether there is a larger stock of liquor in the cellar than the law allows."

Place—The mansion of one of Toronto's honorary colonels.

The speaker was a man of few words. These words came in curt, direct instruction to the maid at the door. The maid opened the house door and the cellar door to the alleged representative of authority. A very few minutes sufficed for the inspection of the cellar. The "inspector" thus pronounced sentence on the doomed household:

"The law only allows Colonel Blank to have four cases of liquor in his cellar. I find 60 cases in the cellar and I'll have to seize everything but the four cases."

A waiting motor lorry was summoned. The "inspector" brought in his assistants. The whole precious accumulation of liquor, including high-priced wines, cases of old vintage, brandies and pre-war whiskies, was loaded on the motor lorry and freighted away to parts unknown. When the colonel arrived home from out of town the household help reported the seizure of everything in the mansion's wine vaults but four cases of whiskey. The rest in silence, diversified by remarks from the honorary colonel.

Sergt. T. C. Lapp Has Returned From Overseas

Tells of Great Reception for
Boys at Halifax and Ottawa—
How Kimmel Camp was Cleared in
Ten Days—Hearing Philip Gibbs,
Great War Correspondent.

Editor Ontario.—
I was among the fortunate ones who arrived last week from overseas on R.M.S. "Royal George," and two hours after reaching Ottawa I became a civilian once more so you can imagine I am in a happy frame of mind.

After the riots at Kimmel Park, which I wrote you about, the camp was cleared in ten days; the "mountains" of technicality which held so many of us there, were removed, and four extra boats secured. That shows what action will accomplish. The trip home left nothing to be desired. Food and quarters were good and the Y.M.C.A. provided wholesome entertainment, literature, and organized sports. We got a reception at Halifax that will ever live in our memories—whistles and sirens hoisted, flags and hunting on every hand, hot coffee, cakes, candy, etc. It felt good to be alive and in

Canada once more. The trains were very comfortable and the food served was beyond the wildest dreams of a soldier—eggs, chicken, pie, etc.

The people along the way vied with each other to make us feel our welcome home. When we pulled into Ottawa the greatest moment of our lives came. You can imagine the scene. It left us all wet-eyed and happy.

I wish you could have heard Philip Gibbs here last evening. He is a word artist and has a wonderful grasp of detail. Lt.-Col. C. H. Peck the beloved and gruff commander of the 16th Battalion presided and the governor-general and party were in attendance. Col. Peck won the V.C., D.S.O., and other decorations for bravery at the Front.

Corporal J. D. McHugh D.C.M.

And Many Other Soldiers Return to
Belleville

Among the arrivals in Belleville yesterday was Corp. J. B. McHugh, who went overseas with the 155th Batt. and has been serving with the 2nd Batt. Though having won the D.C.M., he would not speak of it until pressed to do so and showed the following explanation which accompanied the D.C.M.: No. 555902 Corp. J. B. McHugh, D.C.M., 2nd Can. Infantry Battalion, during the attack on Upton wood on Aug. 30, 1918, when the officers and N. C. O.s became casualties, he took command of the platoon who then were fifteen in number and led them with great gallantry and dashed against the enemy who were counter attacking strongly. He routed an overwhelming number of the enemy, capturing a machine gun and several prisoners. He displayed admirable qualities of leadership, inspiring his men with the greatest confidence.

Corp. McHugh, previous to going overseas lived with his parents on Olive St. Since leaving Canada he has lost by death his mother, father and a sister and is now stopping with his aunt, Mrs. Bird, 13 Albion St.

The following additional soldiers have returned from overseas:

Flight-Lt. R. Pearsall, 25 Queen St., who went overseas as a private with the 42nd Batt. and served with the Can. Engineers. Afterwards he was transferred to the Royal Air Force and was promoted to Lieutenant.

Sig. W. S. Davis, 290 Albert St., who went with the 74th Battery and served with the 27th Battery. He went over in October 1916.

Driver J. E. Wright, 132 Front St., who went over with the 155th Batt. and served with the 4th Can. Engineers.

Pte. J. J. Roe, 66 Dundas St. East who went over with the 254th Batt. and served with the 2nd Batt.

Sapper A. Jackson, 149 Lingham St., who went with the 21st Batt. and served three and a half years in France.

Corp. Hansey, of Canafiton who went with the first draft of the 33rd Battery.

Pte. Harry Ranson, 292 Charles St., who signed up with the 33rd Battery and was transferred to the 155th. He served with the 21st and was gassed in Aug. 1918 and wounded in Oct. 1918.

Sapper Arthur Barlow, of Roscoe's Corners who went over with the 257th Batt. in Feb. 1917 and served with the C.R.T.

Private J. H. Smith, 48 Mill St. who went over with the 8th C.M.R. and has been serving with the machine gun section.

Mr. C. St. Charles, Mr. C. Lewis, Mr. W. J. Carter, Mr. Beaudry and Sergt. A. Heiman loaned their cars to take these men home, while Mr. John Colden and Mr. J. Rose assisted the committee at the depots.

Bid Farewell to Departing Neighbor

On the evening of March 31st, a large number of the friends and neighbors of Mrs. E. Caverley met at her home to spend an evening with her and bid her farewell on the eve of her departure for her home in Belleville. During the evening spent in social intercourse the following address was read as an expression of the high esteem in which the members of the Methodist Church held Mrs. Caverley and her daughters:

Our Dear Friend.—We were not surprised to hear that you had caught the contagion which has spread throughout the length and breadth of rural Canada and which compels changes such as the world has never witnessed in any previous period.

The spirit that has brought about this condition of affairs is one that may require very careful investigation before a correct solution is reached, but we have been accustomed to declare it to be due to the restless and unsettled condition of present day affairs. Whatever it may be God knows, but to us, it is a sure and certain voice speaking in a language heard only in flowery valleys beyond the stars, and saying in no uncertain tones:

"Here ye have no continuing city." There is something strangely sad and pathetic about these changes, and the heart reaching far out into the deep dark mystery in order to find a meaning, but we comfort ourselves with the promise that the ransom of the Lord shall at last return and come with singing to the New Jerusalem, to the home of perpetual life and glory, to the city that hath foundation, whose Builder and Maker is God.

Mrs. Caverley, we are very sorry to see you leave Foxboro, and it is not an easy thing to come and tell you so. We have seen people come, and go, and we have said good-bye before, sometimes in a very mathematical fashion, and then again, our hearts have been so deeply touched that it seemed as if the Angel of Death had turned the big part of our day into a starless night.

Permit us to say to you tonight, that we feel that you belong to this inner circle of friends, whose parting seems to touch our church, our homes, our lives, our hearts, most deeply.

But, we would not be selfish; we have learned to love you because you had a big heart, a happy face, an attractive smile, a pleasant manner, and we must content ourselves with the fact that we were ever sufficiently fortunate to touch the warm influence of your life, and then, to allow its radiating power to press onward to continue its blessed mission in more distant fields.

We must mention also your splendid daughters, Nellie and Mabel. We have already missed them; we will miss them more and more as the spring and summer comes. They have meant so much to the village and church life, and it seems lonely, oh so lonely, to think that they are to be numbered no longer with the Foxboro girls. We wish them both well, however, and we do not forget that the sum total of the world's happiness is in no way disturbed, because, what we have lost, others have gained.

We trust that your new home may be everything that you have desired, that you may there find time to treasure the sweet recollection of the many friends you are leaving behind you in Foxboro, and that when life's sun shall set behind its distant hills, you may meet again in the mansions of that splendid city where separations come no more forever.

Signed in behalf of your many friends.
Mrs. S. A. Kemp,
Mrs. S. C. Gay,
Foxboro, March 31, 1919.

Service was held in the Methodist Church on Sunday evening, on account of the Memorial Service, held at Beulah, for Miss Stella Mitz.

A memorial service will be held in the Methodist Church for Mrs. Will Wood next Sunday afternoon.
