"WOMEN!"

"Are You Nervous?"

The results of medern civilization are avidenced in an increase of nervous disorders. It could not be otherwise with the way we eat, drink, lose sleep, and keep up continual round of excitement. The work, the worry, the excitement, all tell upon the nerves till they cry out in revolt, and will not be placated till a remedy such

MILBURN'S HEART AND NERVE PILLS

come along with their nerve-strengthening and energizing properties, and restore them to their normal condition. Mrs. Wm. Levi, Markdale, Ont., writes:

"I had for several years been troubled with mervousness, and, like many others, spent lots of money on medicine that did me.ne goed. I was so bad that the least neise would make me jump and my heart would thump so you could hear it plainly and I could not lie on my left side at night. I saw a few testimonials of others and decided to try Milburn's Heart and Nerve Pills, and to my great joy and surprise they completely cured me and it only took six boxes to do it. I have a neighbor, Mrs. Rickett, and I induced her to try them and they effected a cure. I can endorse their ase for anyone afflicted as I was."

Price 50 cents above the same at the same and they effected as I was."

Army Officers Said to be Plotting

FIGHT SCHEFKET

Real Master of Situation Declared to be Gen. Hassan Riza Pacha

ATHENS, June 2-A Turkish political personage, with whom I travelled from Constantinople: to the Piraeus made the following declaration:-"The influence of General Schefket Pacha and other army chiefs is diminishing progressively. The veritable master of the situation at the present moment is General Hassan Riza Pacha, master of ordnance, who, with forty young officers dictates his will to everybody, the army occupation being under their direct orders. These officers treat the Young Turk committee and Parliament with contempt, forming lists for proscription and insisting on the arrest and exile without trial of personages whom they consider compromised. "Hilm Piacha, the Grand Vizier, and

General Schefket Pacha tried to resist, but knowing the situation, they now give way. The government, under the pretext of promotion, is trying to disperse these officers by giving them missions in the provinces, but they refuse to accept and will shortly present a list of 280 persons who they desire to have exiled, and will then consider that the work of clearing out the enemies of the State is defin ished, but the list contains the names of certain ministers at present in power, notably the Sheikh-ur Islam, Djomel-ed-Din. This will bring about

a ministerial crisis.
"These officers are ardent patriots. They consider that Parliament is not an institution profitable to the country, and desire a military Cabinet which will make an official dictature of the army with a programme for forcing all nationalities in the State to become Turkish and for revision of military According to my travelling companion

this programme, which is almost impracticable, may again convulse the Ottoman Empire and lead to threatening complications.

How to Gure fretting of Infants Mrs. Emma E. Percival Gives Advice that is very Valuable.

When young children and babies ontinually fret and cry you can be sure in nine cases out of ten there is pain caused either by wind or acidity of the stomach....

Writing on this subject from her nome in Bedford, Mrs. Percival says: "As a nurse of many years' experience I can say that nothing I know of will give such spiendid results as Nerviline in four drop doses in hot sweetened water. I once had a case with a baby that cried continually, suffered as if in convulions,-Nerviline relieved at once. I have also used Nerviline with grand effect for cramps, stomach gas, indigestion and stomach disorders. For general household use, to cure the many internal ills that constantly arise, I can recommend no preparation as honest, reliable and economical as

Nerviline." Nurses, physicians, laymenthousands that use Nerviline every day, all say its pain-subduing, health-giving home. Refuse any substitute for Nertles by all dealers.
