Waterdown

We show this week a cut of the latest in Electric House Pumps, with automatic cut-out. This pump regulates the supply of water at regular pressure to Tank, and brings it from a well or cistern if not over 25 feet deep and any reasonable distance. This pump has no gears, is almost noiseless in operation, self oiling, self regulating, high-grade motor.

We endeavor to keep the latest and very best ideas in Hydro-Pneumatic Force and Lift Pumps. We also supply Electric and Gasoline driven Washers and Wringers and a complete line of Farm Equipment.
