WEDGE IN ENEMY LINE

Russians Endeavoring to Widen Breach at Toboly.

Capture of Cherwische Farm and Village of Toboly on the Western Bank of the Stokhod River Gives Big Advantage to Russian Forces—Hard Fighting in Carpathian Passes.

LONDON, Aug. 21.—Both Petrograd and Berlin in Sunday's official statements regarding the eastern front claim successes in the fighting that has been raging without pause for the last 24 hours on the Stokhod sector between Rudka and Cherwische, about 40 miles north-east of Kovel. The Russian War Office reports the capture of the Cherwische farm and of the village of Toboly, three miles to the west and on the western bank of the Stokhod. This village was officially reported in Russian hands in Saturday's Petrograd statement, but since has changed hands several times. "It finally remained in our possession, says Sunday's report, adding that six officers and 600 men were made prisoners.

Berlin, on the other hand, reports a successful Teuton counter-attack in this region and the capture of six officers and 367 men. The German War Office statement adds that the "combat still continues," and indirectly admits Russian progress by referring to Russian troops "which pushed forward on the western bank," though it is asserted that Muscovite attacks here were repulsed.

By the capture of Toboly the Russians have driven a three-mile deep wedge into Gen. von Linsingen's front on this line, and are now endeavoring to widen the breach.

Indirect admission that the town of Jablonica, east of the Carpathian pass of the same name, has been retaken by the Teutons since its capture by the Russians several days ago, is contained in Sunday's Petrograd report, which says that the Teutons were "driven back to Jablonica and Voronka (Woronienka), three miles to the south-east." A slight Russian advance is claimed by Petrograd 29 miles to the east, on the River Bialy-Czeremosz, near the town of Dol-Hopole.

Berlin reports the capture by German troops of the Kreta Heights, south of Zabie, in the foothills of the Carpathians, and the repulse of Russian counter-attacks at Magura Height, to the south-east.

Russian troops were driven from advanced trenches east of Kizelin, in Volhynia, south-east of Kovel, according to the German statement. A battle rages on the north-eastern slope of the Czerna-Hora ridge, where the Russians are trying to break through to open their road to the Hungarian plains. Their attacks from due east of Tartar, or Jablonica Pass, temporarily abandoned because of the stubborn Teuton resistance, the Muscovites now are trying to force the pass by swooping down upon the defenders from the north. Vienna Sunday night asserted that "strong attacks" broke down under the Teuton barrier fire. The Austrian War Office also claims the repulse of a Russian attack south of Horozonka, where the Russians are endeavoring to pierce Count von Bothmer's front east of Halicz.

DEMANDS EIGHT-HOUR DAY.

President Wilson Sends a Note to Railroad Executives.

WASHINGTON Aug. 21.—President Wilson indirectly served notice on the railroad executives Sunday that he had no intention of yielding in his demand for an eight-hour day as a means of averting the threatened strike. He also made clear his position on arbitration. He said: "What I am proposing does not weaken or discredit the principle of arbitration. It strengthens it, rather."

"It proposes that nothing be conceded except the eight-hour day, to which the whole economic movement of the time seems to point, and the immediate creation of an agency for determining all arbitrable elements in this case in the light, not of predictions nor forecasts, but of established and ascertained facts."

The direct effect of this strategic move from the White House was somewhat bewildering to the railway executives. They have heard from leaders of the brotherhoods and Congressional sources that as a last resort the President will appeal to Congress for temporary Federal receiverships.

Lloyd George Says All is Well.

CRICCIETH, Wales, Aug. 21.—In a speech Saturday night to his fellow townsmen here, David Lloyd George, Minister of War, said:

"I am satisfied with the way things are going. I feel for the first time in two years that the nippers are gripping, and before long we will hear them crack. Then we will be able to extract the kernel."

"I say at once that we shall see that there will not be another war in our day. The British people have made greater sacrifices than we ever thought possible. Three years ago nobody dreamed that Great Britain would pour millions of young manhood into the battlefield. The vigor of our demand must be according to the measure of our sacrifices."

Jumped Into Niagara and to Death.

NIAGARA FALLS, Ont., Aug. 20.—Edward McQuade, who resides in Bridge street, employed by McRae and Campaigne, contractors, committed suicide early Sunday afternoon by jumping from the lower steel arch bridge into the Niagara River. He made the jump from the north side of the American portion of the bridge. McQuade left his coat and hat on the bridge. These articles of clothing established the identity of the suicide.

WAR NEWS

No Excuse to Be Without Reliable Up-to-Date News from the Battle Front

Since assuming control of the Reporter, the present editor has been looking for some means of adding to the list of subscribers those who in Athens and surrounding district, do not receive the home paper. There is no reason why the circulation of the Reporter can not be doubled. Subscribers are requested in their interest and ours, to draw the attention of their non-subscriber friends to this exceptional offer.

We have pleasure in announcing an arrangement completed with that great family paper, The Family Herald and Weekly Star of Montreal, by which we can offer The Reporter and The Family Herald and Weekly Star for the balance of 1916, or until January 1st, 1917, for the small sum of 75 cents.

The Family Herald and Weekly Star is noted for its reliable war news each week, and is replete with most interesting stories from the battlefield. The Family Herald and Weekly Star is a family paper all Canada is proud of, and when combined with The Reporter, our readers are supplied with all local news and news of the world. In addition to the news, the reader receives in The Family Herald each week a magazine section equivalent to several of the best monthly magazines printed. The Agricultural section is another feature of that great weekly which is keenly appreciated and is alone worth many times the subscription price. We now offer the two papers for only 75 cents until January, 1917. Present readers of The Reporter may have The Family Herald and Weekly Star for the balance of 1916 for only 40 cents.
