FOR PUBLIC OWNERSHIP

R. L. Berden and W. F. Maclean
At Toronto Junction.

Opening Meeting in the South York Campaign a Great Success—Kilburn Hall Filled to the Doors—Conservative Leader Emphasizes People's Ownership of G.T.P. and Candidate Devotes His Time to Public Ownership.

Toronto Junction, Oct. 6.—Last night Kilburn Hall was filled to its utmost capacity with electors of South York to hear R. L. Berden speak in the interests of the county generally and the Conservative candidate, W. F. Maclean, in particular. Mr. Berden's entry into the hall was the signal for a tremendous shout of enthusiasm, and three cheers and a tiger greeted the leader when he rose to speak. Public ownership of public utilities was the topic kept well in the foreground of the discussion. Mr. Berden, dealt in his usual clear and forcible manner, with the application of the principle to the proposed Transcontinental Railway, and noted a strong and growing sentiment in its favor.

The paramount issue was the transportation question was the paramount issue, the leader observed, as he plunged into an analysis of the contract entered into by the Government with the Grand Trunk Railway. He showed that the bargain was made with a subsidiary

W. F. MACLEAN.
Conservative Candidate in South York.

company known as the Grand Trunk Pacific, and explained that the old Grand Trunk Railway desired to keep itself unhampered so that it might convey its traffic to United States ports, as it had in the past. Bad as the bargain of 1903 was for the people, in the amended bargain of 1904 there was not one concession to the people, but many concessions to the G.T.P. Mr. Berden went into the contract in detail, urging that the Government had failed to secure favorable rates for the people other than those provided by the regulations respecting other carrying companies.

Mr. Berden's declaration that the people should build the other tenth of the transcontinental railway and own the whole road was received with cheers. He declared for making Government-owned roads free from political control and partisan management.

South York's Candidate.

The candidate, Mr. W. F. Maclean, he observed, was a man of progressive and advanced ideas—a man who had the courage of his convictions, and one who was not afraid to express in and out of Parliament that which he believed to be in the interests of the country. Mr. Berden had not always seen eye to eye with Mr. Maclean, but they were none the less friends for that, and he respected him for his advanced ideas.

Mr. Berden having dealt at length with the other issue of the campaign, closed amid deafening cheers.

Public Ownership.

Mr. Maclean's speech was confined almost exclusively to the question of public ownership, and he said, in the course of his exhaustive speech, that the Conservative party had taken up the question and that the Liberals said they did not believe in it. Speeches were also delivered by A. E. Kemp, J. W. St. John, M.P.P., and Councillor Syme. The meeting closed with the usual cheers.

Quebec Bears Sir Wilfrid Laurier.

Quebec, Oct. 6.—Notwithstanding a downpour of rain Sir Wilfrid Laurier was the subject of an enthusiastic reception last evening. He was tendered a dinner at the Auditorium Cafe. As the Premier emerged from the hall there was a big display of fireworks, band playing, etc. A very large crowd in carriages and on foot followed him to St. Roch's, which forms part of Quebec East, which the Premier has represented in Parliament for a number of years. He spoke in Jacques Cartier Hall. The Premier made a long speech, going principally over the same ground he did at Sorel. He predicted a great victory for the Liberal party. Several other leading Liberals addressed the meeting.

Aylesworth For Durham.

Bowmanville, Oct. 6.—Word was re-

ceived here yesterday afternoon from Ottawa that A. B. Aylesworth K.C. had consented to run in Durham as the Liberal candidate. It is understood that Robert Beith pressed him to do so, though Mr. Beith declines to be interviewed on the matter. It is said in well-informed Liberal circles that Mr. Beith has been promised a seat in the Senate, and has taken this means of making his calling and election sure. A. B. Aylesworth, if he looks to Durham for his seat, will not have a pasture amid roses.

POLITICAL POINTERS.

Peter Christie of Manchester, Ont., has accepted the Conservative nomination in South Ontario.

Conservatives of Quebec Centre nominated Dr. W. A. Verge Wednesday as standard bearer for the party.

The Liberals of the County of La Vall Wednesday nominated Camille Paquette as their candidate for the Commons.

The Conservatives of Laprairie-Naperville Wednesday nominated Max Coupal, notary, as their candidate for the Commons.

G. F. Hodgins, merchant of Shawville, was chosen as the Liberal candidate for Pontiac, at their convention at Campbell's Bay, Wednesday.

A. Blumenthal, a prominent Jewish resident, was Wednesday night nominated and accepted as an independent labor candidate in St. Lawrence division of Montreal.

Kingston Conservatives nominated Capt. John Gaskin, ex-mayor and formerly manager of the Montreal Transportation Co., as the candidate in the coming elections.

Hamilton Conservatives held their convention Wednesday. They decided to run Frank C. Bruce in West Hamilton, and Samuel Barker in East Hamilton. Both candidates made short speeches.

Hon. Robert Rogers of Manitoba, who is in Toronto, expects the Conservatives to win every one of the ten seats in Manitoba. This will mean the defeat of Hon. Clifford Sifton in Brandon.

The Liberal-Conservatives of the County of Halton met in convention in Milton Wednesday, when David Henderson was again chosen to carry the Conservative standard in the approaching Dominion elections.

James Kennedy, who represented West Peterboro in the last Parliament, will be the Conservative candidate, again. This was decided yesterday when Mr. Kennedy and a number of Peterboro Conservatives saw Mr. Borden at the Albany Club.

Mr. Borden continues his Ontario tour. The following are his dates: Wingham, Oct. 6; Dunnville, Oct. 7; Newwood (afternoon), Oct. 8; Peterboro (night), Oct. 8; Picton, Oct. 11; Beekville, Oct. 12; Cornwall, Oct. 12. From Alexandria he opens the Quebec campaign for a week, thence to the Maritime Provinces till the close of the campaign.

At a convention in Mitchell Wednesday afternoon of the South Perth Reform Association, attended by nearly a full representation of delegates, G. H. McIntyre of St. Mary's was chosen as the Liberal candidate for the House of Commons. D. K. Erb, the late member, was nominated, but declined. The names that went to ballot were those of Mr. McIntyre and T. H. Race, editor of The Mitchell Recorder. The vote stood 109 to 33.

TORONTO RAILWAY INDICTED.

Grand Jury Brings in a True Bill For Killing and Maiming.

Toronto, Oct. 6.—The Grand Jury yesterday brought in a true bill against the Toronto Railway Co. for maintaining a common nuisance, under the following indictment prepared by County Crown Attorney Drayton:

That the company, without lawful excuse, unlawfully neglected and omitted to take reasonable precaution and care to avoid danger to human life in the operation of their cars upon the streets of Toronto, which were of such a design and without proper and sufficient fenders, guards, brakes and appliances, as would cause danger in human life and by improperly, illegally and negligently maintaining, operating and running their cars, in consequence whereof the lives, safety and health of the public and foot passengers were endangered.

And that the said Toronto Railway Co., in manner aforesaid, unlawfully did commit a common nuisance, thereby endangering the lives, safety, health, property and comfort of the public, and causing grievous bodily injuries to certain individuals, namely, William John Lee, James E. Duggan, Haskin Muckleston, Abel Haskin, David Hall, Florence Dixon, Lorne Millard, Josephine E. Mara, Samuel Brinbath, John Dixon, Emmanuel P. Vale, Marion Solomon, Mary Kelly, William Pettigrew, Clarence Matheson, Appollo Churchhill, Mary McCabe, John B. Hunter, Anne Kelly, Alexander Ross, Alice Peatty, John Falaldeen, Byrel Edna Gordon, Kathleen Cockburn, Nettie Brown and Thomas Kennedy.

The case will not be tried until the next sessions in December.

THE ELKS TO-NIGHT

The Elks' lodge will be formally inaugurated in Chatham to-night. The London Elks will be down in force to institute the lodge, and a splendid banquet will follow at the Hotel Garner. Mr. Garwright, the London basso, and local musical talent will contribute numbers.

CLEAN SWEEP IN MANITOBA

Conservatives Will Carry
the Ten Seats — Mr.
Rogers' Prediction.

Mr. Borden's Railway Policy Immensely Popular in the West—Most Encouraging Outlook.

Toronto, Oct. 5.—"The Conservatives will probably carry the ten seats in Manitoba in the Dominion contest," said Hon. Robert Rogers, Minister of Public Works, of Manitoba, to a reporter here to-day.

"That means that Mr. Sifton will be defeated."

"Certainly. We are out to carry every seat, and he will not be passed by."

"Is Mr. Borden's railway policy meeting with favor in the West?" "It is one of the greatest issues in the campaign, both in Manitoba and the North-west Territories, and throughout the whole West the people are strongly in favor of a Government-owned railway. It is only natural that Mr. Borden's policy should be popular, for if it is adopted it will be to the lasting advantage of the country; and the Western people recognize the value to the country of a great transcontinental railway owned by the people."

Continuing, Mr. Rogers stated that over 9,000 new names had been added to the voters' lists since the last local elections, and of these 7,000 had been put on by the Conservatives.

THE PEACE CONFERENCE.

War Affects the Working Class More Than Any Other.

Boston, Oct. 6.—The International Peace Congress has adopted resolutions calling upon Russia and Japan to end the present war and upon the signatory powers of The Hague Convention to press upon the Governments of Russia and Japan the importance of putting an end to the strife.

Duty of Business Men.

The duties of business men in the cause of attaining universal peace was the subject discussed last night at a public meeting in Tremont Temple.

John Lund, former President of the Norwegian Parliament; Thomas Shupe of Liverpool; Walter Bassell of London; George Arnhold of Dresden, and Geo. F. Peabody of New York, were among the speakers.

As It Affects Labor.

Every labor union in the city was represented at a workingmen's public mass meeting in Faneuil Hall.

The keynote of the gathering was war affected the working class of the world more than any other class, that working people should band themselves together and insist that war, both industrial and political, should cease.

Samuel Gompers and prominent labor representatives of Great Britain, France, Belgium and Germany spoke.

A set of resolutions adopted endorse the declaration for international peace made by the American Federation of Labor at the Baltimore Congress, in 1887.

C.P.R. Annual Meeting.

Montreal, Oct. 6.—The twenty-third annual meeting of the C.P.R. was held here at noon yesterday, and was largely attended. The annual report was considered very satisfactory in every respect, and although the earnings did not show up as well as was expected in some quarters, yet it was found very satisfactory when the adverse conditions existing during the year were taken into consideration.

Sir William Van Horne, chairman of the board of directors, was in the chair. All the directors of the company were also present. The annual report was adopted and the shareholders also authorized the increase of the capital stock by \$25,000,000, making the total of the ordinary capital stocks \$110,000,000. The old board of directors were all re-elected.

Malicious Officialness.

London, Oct. 6.—(C. A. P.)—Lord Roberts wrote a private letter to Mr. Bunbury, which letter was used by the Courtenay Company to advertise their emigration agency. W. P. R. Preston drew Lord Roberts' attention to the use of the letter was being made of, and Lord Roberts requested that its use in such a manner, be stopped. Mr. Bunbury, writing to The Truth, says it was malicious officialness, and that Mr. Preston seized upon Courtenay's circular as a temporary weapon to attack those who belong to the party of his political opponents.
