"BETTER THAN GOLD."—Acadia Lodge, L. O. G. T., has given several entertainments during the winter, all of which have been very successful. The last, given on Friday evening last, by the same order, was probably the best amateur affair that we have ever had the pleasure of seeing performed in Wolfville. The play "Better than Gold," was rendered, while excellent music was furnished by Mr. R. W. Ford, violin; Miss Williams, piano; and Mr. J. F. Herbin, guitar.

The following were the dramatic personae: Gilbert Murdoch, Mr. H. N. Shaw. Richard Gordon, Mr. J. T. Prescott. Tom Payson, Mr. J. L. Bishop. Peter Percharat, Mr. O. S. Miller. Asa, Mr. G. A. Whitman. Belle Gordon, Miss Bessie Payzant. Annie Gaylord, Miss Maggie Bishop. Mrs. Gaylord, Miss Ida Jones. Jennie Joy, Miss Eva Andrews.

Mr. Shaw, elocution teacher on the Hill, took the leading part, and with the good material supplied by our own town and the college in his hands gave us a proof of what training will do with natural talent. It is impossible here there is so much perfection and so much diversity of opinion, to praise one without including all. There were no interruptions or hitches during the acting, while some of the scenes were very pleasing and striking. There is a good temperance sermon in the play. What the effect of the first glass might have been was shown in two acts representing a dream in which wealth, honor and happiness were lost. The awful dream became a warning and the happy result of temperance, becomes the subject of the last act. The moral was very striking and few could have failed to see the direction given to many lives by the acceptance or rejection of the path, duty and conscience pointed out. The play will be repeated to-night at Hantsport, when we assure the citizens of that town with all others who attend, a very pleasant evening's entertainment.

IMPROVEMENT.—The enterprising proprietor of the "American House" has been making some repairs during the past week and has considerably improved the appearance of his house.

"LITTLE BUTTERCUPS."—On Friday last we received from Mrs. Edgar Davison, of Gasperau, a box of full-blown buttercups, looking as fresh and healthy as any we have ever seen. We think it will be found hard to beat this.

"Soluble Pacific Guano" is by far the best fertilizer in the market. Try it! R. PRAT, Agent. 36

OUTSIDE PAGES.—On our outside pages this week will be found several interesting original articles. Two pieces of poetry, "Mayflowers," by Mr. J. F. Herbin, and "Beneath the Waves," by A. C., show considerable taste. The original sketch, "A Visit to St. Augustine," is written by a young lady of Jacksonville Florida, at one time a resident of Wolfville, and will be found very interesting.

CASH DISCOUNT.—For three weeks from date a discount of 10% will be given on all light harnesses purchased from me. Now is the time to get harnesses cheap. Wolfville, May 13] C. A. PATRIQUIN.

Ring out the old, ring in the new. Is what the "Bell" is going to do.— 39 at SHAW'S.

Grand Pre. Miss Thomas has taken our school for the summer. We wish her success. Last Friday was Arbor Day. There were about twenty trees set out. Several were dedicated to the present teacher and to former teachers, Miss Cassie A. Davidson and Mr. Shaw. Others were presented to Rev. R. D. Ross, Dr. Chipman, Jubilee year, etc.

Kentville. Friday last was observed as Arbor Day. Quite a number of trees were set out by the pupils of the Academy.

About 8 o'clock on Tuesday evening the dwelling of Mr. J. Cunningham was discovered to be on fire. A crowd soon collected but the smoke was so dense it was uncertain just where the fire was. It was soon discovered in a closet where some clothes had been lying, and speedily extinguished. It is fortunate that the fire did not gain headway, as several other buildings would have gone too.

The remains of William Strong, who was killed in the railroad accident near Boston some time ago, was brought home on Tuesday evening for burial.

Fifty-five children, with their nurses, etc., passed through here Saturday night, en route for the Children's Home at Aylesford. They came from Scotland.

Mr. James H. Thorne, one of the most respected citizens of this place, died very suddenly on Monday morning last. Shortly after 7 o'clock he arose, apparently in as good health as usual, and on coming down stairs called to his wife to assist him in putting on his coat, when he fell forward and died without a groan.

The deceased was a native of Bridgetown, and was a most genial and agreeable man and a general favorite with all. He leaves a wife, two daughters and three sons, who have the sympathy of a large circle of friends.

New Ross Road. Hay and potatoes are very scarce in this neighborhood and those having a surplus of the former refuse to sell for less than \$16 per ton, cash on delivery; while the latter cannot be got here at any price and many will be obliged to go to Horton or Cornwallis for their seed.

Bears, however, are more plentiful than usual with appetites quite as rapacious. Quite a number of sheep have been killed by them during the past few weeks, and on Sunday night a fine sheep was killed belonging to Amos Costly close to his barn. His brother David, of bear-catching fame, but who has been rather wanting in his usual success this spring, capturing it, or another one, in one of his traps the following evening.

On Monday while some lumbermen were driving logs in a tributary stream of Gold River they discovered a very large bear floating among them. It is supposed that it attempted to swim the stream and got among the logs and was killed or drowned. Its skin measured 8 feet from tip of nose to end of tail.

Trout are plentiful in the streams and lakes, and good accommodation for sportsmen can always be found at the New Ross Road Inn whose genial proprietor, Mr. Owen McGarry, is ever ready with a welcome.

The pastures are getting quite green, and many persons have been obliged to turn their young cattle out to seek their living, owing to the shortness of hay.

RETURNED.—Mr. R. W. Storrs, who has been travelling in the United States for several months past, returned to Wolfville last week.

PROGRESSING.—Work on the new Academy Boarding House is being pushed forward rapidly. The contractors have already quite a large force of men employed and more are expected.

FORCE PUMPE.—Order your "Perfection" Lawn and Garden Force Pumps from D. Mumford, now only \$2.50. They will not be kept in stock. Order in time to sprinkle your trees and kill the nasty canker-worms.

A NEW PERIODICAL.—The Grip Publishing Company, of Toronto, have commenced the publication of a new monthly periodical, entitled Grip's Own Library. The first number is made up of "Good Things from Grip," being comic pictures and comic reading selected from the pages of Grip. It is printed on the finest calendered paper, and at the price of ten cents is a credit to the publishers, and will no doubt meet with a very large sale. The second number will be entitled, "Jubilee Jollities," to be issued June 1st, and a very large edition is being prepared in anticipation of an enormous sale.

DEAR ACADIAN.—Many thanks for your able editorial on the action of the refusal of the Council to appoint an Inspector under Section 123 Liquor Licence Act, 1836.

Section 4, of the same Act is as follows:—"The Council shall, immediately after the passing of this Act, either at its first regular meeting thereafter, or at a special meeting called for that purpose, nominate a Chief Inspector, and, if necessary, one or more Inspectors of license."

Will some member of the Municipal Council, or some one else who knows why, kindly explain why our Municipal Council ignored the above section?

Yours etc. ALLIANCE.

AN APPEAL FOR HOME MISSIONS.—We wish to direct the attention of the readers of the ACADIAN to the Mund Bridge Mission, as it was originally called. From simply reading the Bible to a few sick people on Sabbath afternoons, and talking of Jesus and his love, the work has spread until five stations or more require Sabbath services, and a mission worker is much needed, is needed! should be hired, for each summer season. The students have done nobly for the Master, and have sown the seed which shall bring forth fruit a hundred-fold. The little seed of mustard, sown by a woman's hand, has grown into a tree, and the weary, tired one rests under its branches. The sisters of the church have contributed to the support of this Mission, and we trust will continue in the good work. Oh! that each lover of the Lord Jesus—could have burned upon their hearts and minds the souls of these people, that we could bless this noble woman for her untiring efforts in the mission work. We sing,

"Shall we, whose souls are lighted, by wisdom from on high, Can we, to men benighted, the lamp of life deny?"

We send missionaries to India, we give yearly to the support of these missions and pray for success. But as our very doors comes this cry—"Send us the gospel, send a preacher, if it is only once a month, send us some one to preach and teach Jesus."

Brothers and sisters, a door has been opened unto us of the Lord. Be not aloof in this business, "lest Satan should get an advantage of us, for we are not ignorant of his devices." Let every Christian brother and sister take this matter before the Lord. He has raised up a woman especially fitted for this work, a mother in Israel to these people. Shall we not help to stay her hands, and encourage her in this great work? Let us at that great day these words shall meet us, "I was an hungry and ye fed me not; I was sick and in prison, and ye visited me not; naked, and ye clothed me not." Let us go forward in this work and God will bless us. Com.

Born. SHAW.—At Cow Bay, C. B., on the 3d instant, the wife of Rev. M. B. Shaw, of a son.

Married. DAVIDSON—COLDWELL.—At the church, Gasperau, on Wednesday, May 11th, by Rev. M. P. Freeman, Mr. Frederick Davidson and Ida D., youngest daughter of the late J. L. Coldwell, Esq., all of Gasperau.

Died. HARRIS.—At Windsor, May 29th, of bronchitis, Mr. Elijah P. Harris, a native of Horton, King's Co., aged 63 years.
