## VICTOR-MOODY **Potato Diggers**

If you are considering buying a digger this fall you will benefit by placing your order at once. I have a car of the well-known Victor-Moody Diggers arriving the first of September, the price this year being \$135.00, but in order to make a quick turnover I have made a special cash price of \$125.00 for early bookings; this only represents a 40 per cent increase over pre war prices and considering practically all machinesy has advanced 100 per cent during the last few years you will realize this price is very low.
