## BOY SET THE ANNAPOLIS FIRE

Tommy Miller, aged 12, has confessed to Detective Kennedy that he set the Annapolis fire. He told the officers that he started the blaze to see a man put water on the fire with a hose, and when he lighted the fire he says that he did not remember there was no water available to put it out. The boy, who has been arrested, previously served a term in a Reformatory school in Halifax and had only recently been sent home.

Prime Minister Meighen will visit Nova Scotia next month. He will speak in Digby, Oct. 4, in Halifax, Oct. 5, in New Glasgow, Oct. 6, Sydney, Oct. 7 and in Truro, Oct. 8.

## Sacred Musical

### Greatly Enjoyed at the Tabernacle

Last Sunday evening a good number were present at the Tabernacle, and listened with much pleasure and profit to a Sacred Musical which was made possible largely through the kind help of Miss Alice Rising, of St. John, who some years ago, while in Wolfville, interested herself and raised money to buy the "Doherty" organ which is still being used in the Tabernacle Services.  
The following programme was presented:—  
1. Singing—"True Hearted, Whole Hearted".  
2. Scripture reading by Mr. Patriquin, and prayer by Rev. Mr. Roop.  
3. Chorus—"When Love Shines In".  
4. Vocal Solo—"It was for Me", Mrs. Barteaux.  
5. Guitar and Voice The Misses Roop.  
6. Vocal Duet. The Misses Threthewey.  
7. Reading—"By the Side of the Road" Miss Helen Schurman.  
8. Solo and Chorus—"Alone"—Mrs. Roop and Male voices.  
9. Violin Solo—Berceuse from "Jocelyn"—Miss Zelma Threthewey.  
10. Vocal Solo—"Gathering Jewels"—Mrs. Roop.  
11. Guitar and Voice. The Misses Roop.  
12. Chorus—"You May Have the Joy Bells".  
13. Vocal duet—"The Glad Message"—Mrs. Barteaux and Miss Rising.  
14. Collection—With organ Voluntary.  
15. Singing to close—"How Firm a Foundation".

### GRAND PRE ITEMS

Mrs. A. Bishop and Mrs. W. A. Woodman are spending a few days in Lockeport, guests of Mrs. Ross Hammond.  
Miss Annie Martin, of St. John, N. B., is visiting here, the guest of Miss Annie M. Stuart.  
Miss Mabel Borden left last week for Windsor, where she will attend "Edgehill".  
Mr. and Mrs. F. H. Crane left last week on a motor trip to the South Shore and Yarmouth.  
Mr. Irving Boates left a few days ago for Brooklyn, N. S.  
Mrs. F. M. Slade and family who have spent the summer at Evangeline Beach, returned to Westmount, P. Q., last week.  
Miss Mary Eaton has reopened her Tea Room here.  
Miss Nace McLeod is the guest of Mrs. James McRae.

## New Appointments

### Four Additions to Staff of Acadia University

Four new appointments have been made for the year 1921-22 at Acadia University and the staff has been strengthened considerably thereby.  
In addition to the work given by Dr. Cutten, President of the University, Dr. Chester E. Kellogg has been appointed as Professor of Psychology and Education. Dr. Kellogg received the degree of Bachelor of Arts from Bowdoin College; Master of Arts from Harvard and later his Ph. D. from Harvard. He was assistant in Psychology at Radcliffe college; lecturer at Bryn Mawr; and Instructor at the University of Minnesota. Since September 1917 he has been connected with the United States Army as Psychologist, working as psychological examiner at various camps, and as chief educational officer in two base hospitals. In addition to general courses in psychology and education Dr. Kellogg will give courses in practical psychology and experimental psychology and systematic psychology.  
In the Department of geology, William Maximilian Rau has been appointed as Professor. Professor Rau is a graduate of Bridgewater Normal School and honor graduate of Wesleyan University, and has taken his Master of Arts degree at Harvard. He has been instructor in geology and physical geography at Normal School, and assistant in economic and structural geology at Harvard. During the last two or three years he has been in economic work in connection with different oil and mineral companies, spending most of his time as geologist for the Northern Oil Company of Edwards N. Y. He has also had experience in geology in Georgia, Tennessee, Connecticut, and Massachusetts.

The chair of Romance Languages has been filled by the appointment of Robert O. Conant, of Dartmouth. Mr. Conant is a graduate of Dartmouth College and took his graduate work at Yale. For the past two years he has been instructor in Dartmouth College where he has done exceptionally good work. He will teach French and carry on the work in Spanish which has been continually done at Acadia for the past eight years.

Miss Edith M. White has been appointed Dean of Women and Instructor in practical Sociology. Miss White is a graduate of Mt. Holyoke College, Attleboro, Mass., where she entered the Y. W. C. A. training centre in New York. Following this she became Welfare Secretary for Colgate Factory, where a large number of young women are employed. She then became Industrial Secretary of the Y. M. C. A., Springfield, Mass. In 1920-21 she did graduate work in sociology at Columbia University and this past summer has been tutor at Bryn Mawr School for industrial workers. Miss White will have charge of the young women of the college and will carry on the special courses in social service which were inaugurated at Acadia to years ago.

### MEMORIAL MONUMENT CAMPAIGN

To our fellow citizens of Wolfville:—  
We have been silent for some time but silence does not always denote inactivity.

There were those who sadly predicted that the Campaign would be forgotten—that our enthusiasm would burn itself out or be extinguished by the first refusal. But the Campaign is still on, and neither our individual nor our collective enthusiasm has been even dampened by the first refusal nor even by the five which we have suffered to date.

We are continuing to receive voluntary subscriptions—we are continuing our canvass and we are continuing to meet with fair success. Each week we publish our Progress Report, and at the end of the Campaign, which is now in sight, we intend to publish the names of those who have contributed and also, that none may feel slighted, the names of those who have refused. If any name is inadvertently omitted its owner may obtain full satisfaction on application to the Committee.

We offer no criticism of the present Monument but we feel that it can be improved. We are grateful to the committee who erected it, for but for their unselfish devotion to civic affairs we might easily have no Town Memorial, and our invitation to join us in our efforts is still and will remain open to them.

But we have determined that the Campaign shall not fail for lack of effort on our part and we still count on the support of every individual citizen of Wolfville.

Once more may we solicit your prompt and unstinted support in this matter which concerns us all as citizens of Wolfville and especially as "those for whom they died".

Very sincerely yours,  
R. B. BLAUVELDT,  
for G.W.V.A. Memorial Committee.

The tourist business continues good, many motor parties visiting Wolfville these fine days.

## Splendid Exhibition

### Held at Port Williams—Other News of the Village.

The 4th Annual Exhibition of the five schools (Greenwich, White Rock, Church St., Town Plot and Port Williams) was held in Citizens Hall last Friday and was voted the "Best Yet". The Committee in charge certainly deserves credit for its improved arrangement of the Hall that gave the exhibits a better showing. A new feature was the Prizes offered by Mr. R. W. Tufts (Chief Federal Migratory Bird Officer) for the identification of native birds from pictures. Several competed but Emery Gates and Olivia Harvey carried off the prizes, Emery making the splendid showing of 99 points (out of 100), and Olivia (8 years old) making 76. Later in the evening Mr. Tufts showed a number of birds with the moving picture apparatus, giving a description of their habits, etc., which was an education to the parents as well as school children. The prize list offered in the Exhibition amounting to \$130.00 included Vegetables and Fruits, Cut Flowers, Manual Training, Domestic and Rural Science and School Work, and the exhibits in all sections would do credit to a Provincial or County Fair.

Space forbids the detailed mention of the Special prizes given by individuals; but the Best Collection of Native Woods (\$30.00) won by Frank Woodworth, of Town Plot, was an exhibit to be proud of. Very neatly mounted and labelled, his 62 specimens made a splendid showing, as did also Mason Cogswell's prize case (\$10.00) of Moths and Butterflies. The speech on David Lloyd George (\$3.00) delivered by Hilda Johnson (Church St.) was also worthy of special mention also the Essay on "Kings County History" by Madeline Elliot (\$2.00). An exhibit attracting much attention was the 6 varieties of canned Vegetables (\$5.00) put up by Jessie Bishop, Greenwich, which should hold its own in the Dominion Exhibition at Toronto.

An effort is being made to increase the Prize List, for another year as it is hoped this will become an annual permanent affair. The Women's Institute is to be congratulated on the undertaking that has grown and been so beneficial to the schools included.

At the September meeting of the Women's Institute Mrs. Rundle-Woolcock of England, who is spending the month in Wolfville, Mrs. Bedford Chase, gave a very interesting and instructive address on Rhodesia, S. Africa. After dwelling on the geographical and historical parts she told of the manners and customs of the natives, giving many amusing reminiscences of her life among them. Mrs. Woolcock has travelled extensively and holds her audience interested on any subject. She has promised, if still among us, to continue her talk on Rhodesia at the October meeting, as time did not allow her to finish.

The Institute enjoyed a very pleasant visit with the Sheffield Mills Society this month. Another invitation is waiting to go to Medford.

Mrs. Lorimer, of Hantsport, visited her daughter, Mrs. Capt. Faulkner last week. She was accompanied by Mrs. Johnson and Mrs. Kent, of Truro, relatives of Mrs. Faulkner.

Mr. Judson Bezanon, of Waterford, Conn., has been spending two weeks with his parents Mr. and Mrs. Jos. Bezanon, of Cherry Brook Farm.

Miss Gwendolyn Fullerton is the happy possessor of a new Studebaker auto—the gift of her father.

The Baptist Sunday School will celebrate Rally Day next Sunday (25th), when the program prepared by the Joint Committee of S. S. Boards, will be given.

### CANNING ITEMS

Canning Public School held an Exhibition on the School grounds Wednesday, following athletic exercises and a game of football. A fine showing was made of farm products, prizes for excellence to be announced later. The efforts of girls and boys in Domestic Science and Wood Working evidenced marked ability. Dr. DeWolfe and Miss Baker, of the Normal Science Department, Truro, addressed the students. On Friday evening a continuance of the exercises will be held in the Armouries, when the literary and dramatic talent of the pupils will be featured.

Capt. Johnson Spicer and Mrs. Spicer are spending some days with Mrs. N. W. Eaton.

The Rev. T. Hodgson being on his vacation, the Rev. H. Barber fills the pulpits of both the Methodist and Baptist churches.

Rev. Wilfred Burbridge, one of our own boys, has filled the pulpit here and at Scotts Bay very acceptably.

At a convention of the Liberal Party, held at Lunenburg on Monday, Mr. William Duff, M. P., was nominated by standing vote as the candidate for the county for the forthcoming Federal election.

## Schooner Burned

### Four-masted Schooner Burned in Avon River near Hantsport

The four-masted schooner Charlotte Comeau was destroyed by fire in the Avon River, near Hantsport, on Friday last. The fire started in the galley and was observed by the crew when the ship was about opposite Horton Bluff. All the fire-fighting apparatus they could command was immediately brought into play, but apparently had no effect on the rapidly advancing flames. The fire got into the forward deck-house and notwithstanding the strenuous efforts of the crew to quench it, spread along the deck. The rigging and after part were soon a mass of flames, and the crew, forced to abandon the unequal fight, had barely time to jump for the boats.

The ship was abandoned at 7:20 p.m. and during the night burned to the water's edge. Captain Casey went down the river the following afternoon with a tug. He found only that part of the hull immediately above the water-line where the flames had burned themselves out. At 3 p.m. the ship filled and, heeling over, sank very slowly.

The vessel was valued at about \$110,000 and was sailing light, being on the way to Windsor to load. She was owned by the I. M. Comeau Shipping Company, of Lower Cove, Digby County, and was under the command of Captain Casey. At the time of the disaster she was under charter of Nagle and Wigmore, shipping agents of St. John, N. B.

### BUILDING OPERATIONS

The new school building is progressing rapidly. The walls are completed and the roof is boarded in. It is hoped that one room will be ready for occupancy in about a month to relieve the congestion at present making necessary the use of the town hall for a class room.

The foundations for the new Bank of Montreal building are now completed and the work on the walls will soon be commenced.

The work on F. W. Barteaux's new store is going forward rapidly. The foundation is completed and a start has been made on the walls. Mr. Barteaux has decided to build the walls of solid brick instead of brick veneer.

Messrs. R. E. Harris & Sons expect soon to commence the erection of an addition to their store. The new part, which will be of brick veneer, will be used exclusively for their meat business.

The Wolfville Fruit Company's new warehouse is now about completed and a good start has been made on the store.

## Springhill Wins Championship

By defeating Middleton in a closely contested game at Truro on Wednesday, the Springhill baseball team became the champions of Nova Scotia. With the score a tie at the end of the eighth innings Springhill made the winning run in the ninth, the final score being 4 to 3. Springhill's heavy battery of batters failed to connect with the heavy pitching of Dodge who allowed only one hit in the nine innings, but the steadier support of the mowing town players behind the speed and cleverness of Rideout won the game for them.

Middleton opened the scoring and secured two runs in the first inning. There was no further scoring until the seventh when Springhill scored three runs on errors by the Middleton team. Middleton made one run in this inning, tying the score. As stated above Springhill scored the winning run in the ninth inning.

### THE LIBERAL-CONSERVATIVE PARTY AND THE WOMAN VOTER

Mr. H. P. Newcombe, who is appearing on the public platform in various parts of the county in behalf of the Liberal-Conservative Party, made at Centreville, Wednesday evening, the following interesting statement:

"To the woman portion of the electorate there seems to me only one thing to say. You have the ballot, what you will do with it lies with yourselves. Why stand aloof from an active participation in politics? Some of you are saying that there are sometimes matters in connection with political affairs which are not ideal. Is this the reason why some women voters are content to allow the men voters make the policies, the party platforms, make and control the party organizations and when the men voters have nominated their candidates you will simply go to the polls and place your authorization upon what has already been done by the men. My answer to this attitude is this—do not now close this door of opportunity opened to you to bring your great and needed influence to bear for better politics. At this hour you possess an equal power and there is a corresponding obligation upon you. The responsibility for good government, for good politics from now hence forth rests equally upon your shoulders. Take our political institutions as you find them, better their functioning if you will and redouble them to the service of your community and to your country."
