The Great American Hair Tonic.

Bogle's celebrated Hyperion Fluid, for the growth and preservation of the Hair is well known to be without a rivel on this continent. Hundreds'of imitations have started into an ophemeral existence, since the introduction of the untivalled Hair restorative, and their doom been scaled, whilst Bogle's Hyperion Hair Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady, which can affect the Hair, but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe. Bogle's Electric Hair Dye converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin and leaves the Hair soft and glossy without tujuring its texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole shaving compound renders that usually appleasant operation (shaving) a decided luxury.

FOREST WINE!
Patronized by the Nobility and Medical Fac of England, and esteemed the most extra-dinary Medicine in the World.

Biedicine containing molasses or liquoriec, like the bonsted Saraaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrap to give it consistency, but acquires its excellent favor and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the

Its high concentration renders it one of the most

weakness, debility, and sickness, to strong and vigorous health. Every dose shews its good effects on
the constitution, and improves the state of the health.
The Forest Wine is recommended, in the strongest

SAVED FROM DEATH.

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with dropsy, piles and asthma. My Physician had given me up as past care, and my family had lest all hopes of my recovery. While in this dreadful situation, your Forest Wine and Fills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cared. The Dropsy, through which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am mere than sixty years of age.

Yours, respectfully,

N. MATHEWS.

REAT CURE OF LIVER COMPLAINT OF TEN
YEARS' STANDING.

New York, January 9th, 1848.

Dr. Halsey.—Dear Sir, —Having taken your Forest
Wine and Pills to remove a disease of the Liver from
which I have suffered severely for upwards of ten
years; and having adhered closely, to the directions
which accompany the medicines. I have recovered
my health, nothwithstanding all who knew me
thought my case incurable. Previous to taking the
Wine and Pills, I had recourse to the best' medical
treatment, but continued to grow, were to an alarming degree. Some of my friends spake desparagingly
of my case, and tried to persuade me from miking
use of any advertised remedica; and I doubt not; that
there are hundreds who are discusded from taking
your excellent medicines in consequence of the deception and inefficiency of many advertised remedies
put forth by unprincipled men in flaming advertisements. But, what a pity it is, that the deception
used by others should be the means of disstanding
many labouring under disease from making trial and
being cured by your excellent remedies. Humanely
speaking, they have saved my life; when I commenced making use of them, I was in a wretched
condition, but began to experience their good effects
in less than three days; and in six weeks from the
time I purchased the medicines, to the great surprise
of all my friends, I was entirely cured, and had
creased fifteen pounds in weight, having taken one
box of the l'ills, and two bottles of the wine. Would
to God that every poor sufferer would avail himself
of the same remedies, Youre, &c.,

JAMES WILTON.
