HOLLOWAY'S PILLS

Let no one be longer oppressed with the notion that his malady is incurable till the purifying Pills have had a fair trial. A redness will remove the more urgent symptoms and therefore completely control all disordered actions, rouse the torpid liver, relieve the obstructed kidneys, cleanse in pure blood, and confer on every function healthful vigour.

Impurities of the Blood.

These wonderful Pills are valued at the humblest hearts as well as in the houses of comfort and wealth. They work a thorough purification throughout the whole system without disordering the natural action of any organ, and eradicate those germs of complaint which consign tens of thousands to an early grave.

Indigestion, Bilious Complaints and Sick Headache.

No organ in the human body is so liable to disorder as the liver, and none is more apt, when neglected, to become seriously diseased. Remember when nausea, flatulency, or acidity on the stomach warns us the digestion is not proceeding properly, the Holloway's Pills regulate every function, give strength to every organ, speedily remove all causes of indigestion, bile, and sick headache, and effect a permanent cure.

Weakness and Debility.

In cases of debility, languor and nervousness, generated by excess of any kind whether mental or physical, the effects of these Pills is in the highest degree bracing, renovating, and restorative. They drive from the system the morbid causes of disease, re-establish the digestion, regulate the secretions, strengthen the nervous system, raise the patient's spirits, and bring back the frame to its pristine health and vigour.

Turn of Life and Dropsical Swellings.

The turn of life is the most distressing period in woman's existence; it destroys thousands. The whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully checked. The most certain antidote for all these dangers is Holloway's Pills. Armed with them the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. It is but little known that at the so-called "turn of life," man also, when verging on fifty or fifty-five, discovers that his health is considerably deranged and knows not the cause—a critical period in his life. All perils to both sexes are at once removed by recourse to these Pills.

The Kidneys—their Derangements and Cure.

If these Pills be used according to the printed directions, and the Ointment rubbed over the region of the kidneys for at least half an hour at bed-time, as salt is forced into meat, it will penetrate the kidneys and correct any derangement. Should the affliction be stone or gravel, it is particularly recommended that the Ointment in such cases, be used night and morning, as by its judicious application the most astounding cures may be performed.

Holloway's Pills are the best remedy known in the world for the following diseases—

Ague	Rheumatism
Asthma	Retention of Urine
Bilious Complaints	Serfula, or King's Evil
Blotches on the Skin	Scald Head
Bowel Complaints	Sore Throats

Fevers of all kinds	Ulcers
Gout	Veneral Affections
Headache	Worms of all kinds

NOTICE

IMPORTANT TO THE Citizens of Newfoundland

THE CONTINENTAL, LIFE INSURANCE COMPANY OF NEW YORK,

In order to complete their line of Agencies from London to San Francisco California and to extend universally the benefits and advantages offered by their Company and to place within reach of all the means of making provision for the Widow and the Orphan have decided on establishing Agencies in

St. John's and Harbor Grace, Newfoundland.

The CONTINENTAL beyond all comparison the most successful and most popular Company ever established in Europe or America. It has only been SEVEN YEARS in existence but at its organization men of enlarged views and great experience in Life Insurance, were placed in its management, who, having discarded all useless and annoying restrictions, and adopted all the improvements known in Life Insurance—many of them original with themselves, it at once received, and continues to receive a support unprecedented; and it now stands far ahead of many companies TEN YEARS older than itself. It has issued over FIFTY-NINE THOUSAND POLICIES, and has over \$6,750,000,000 assets, all securely invested, as required by law, in Bonds of the United States, Bonds of the State of New York, or in Real Estate. For that portion invested in Real Estate, it holds in all cases Double Security. So popular is its management and so great the public confidence that there are only Two Companies in the World that now approach it in the amount of business done.

By the Laws of the State of New York Life Insurance Companies are not allowed to do Fire Insurance or any other business, the importance of which law cannot be over-estimated by all who desire to protect their families by Life Insurance, and who do not wish to have their funds put in jeopardy by Fire Insurance.

By the Laws of New York Life Insurance Policies are held sacred to the families of the insured, free from the claim of Creditors.

The CONTINENTAL issues all kinds of Policies, viz: Ordinary Life, Endowment, Joint, &c.

All losses in Newfoundland will be paid at the Agency here without subjecting claimants to the trouble and expense of going to New York.

All Policy holders can vote and are eligible to office.
