NEW STREETS WANTED

small lots entirely surrounded by streets, while in other places there days so as not to get run down."

Sold by all medicine dealers or

One place that should be opened up is the section, locally known as Sportville, and for this negotiations on between the one of the proposed.

Williams' Medicine Co., Brockville, In May last the Prime Minister took cognizance in parliament of a control of the proposed. are being carried on between the Public Works Committee of the Town Council and the owners of the land required for the required new street.

Another place very urgently in a moment's notice, without even meed of new street connections is the district back of the Union Hotel. It is traversed partly by public service until the new a street, which at one end connects parliament shall be enabled to with a branch of McCallum street, but at the lower end it terminates Constitutional authorities

but at the lower end it terminates in a cull-denac, only a few rods from Henry street.

There are two ways of opening up a lane to Henry street without having to move any permanent buildings, if the direct line should prove two expensive. The extension would be very short and abould use a great deal And, is any case. We cost of purchase would be far less than may eny day result on a fire in some building.

This amount was sufficient to cart on the public service up to the first of September building.

There are two ways of opening tup a lane to Henry street without having to move any permanent supplies have been asked for during the present session we have granted it without hesitation. In May last we granted without discussion nearly \$40,000,000 of the supply being one-fourth of the continuous to be continuous to be proved to their home in one week.

Mrs. Walter U Appleton and family returned to their home in one one week sufficient to cart on the public service up to the first of September building.
