Newfoundlander Making Good.

We are pleased to hear of the success of another Newfoundlander in the person of Mr. John A. Lawrence who left here for the United States some years ago.

After holding important positions of trust in the land of Uncle Sam, he applied to the Goodyear Tire and Rubber Company, of Akron, Ohio, about three years ago for the position of travelling salesman for the firm. The manager of the firm felt a little doubtful in giving him the position as he had had no previous experience in that particular line. However, he was given a trial which proved a very satisfactory one to the company and to Mr. Lawrence as well. Last week he was called in "off the road" and promoted to the position of local manager for Albany, N.Y.

Mr. Lawrence is a son of Mr. James M. Lawrence, of the firm of Lawrence Brothers, this city, and we congratulate him on his appointment, and wish him a continuance of success.

"Three of a Kind."

Three undesirables who were incarcerated and who were recently released from the Penitentiary, were seen loitering around the fish market in O'Dwyer's Cove last evening. The appearance of a police officer made them scatter. Some time ago the police made an effort to rid the town of undesirables and questionable characters but it seems now as if their endeavours have proved ineffective.

Minard's Liniment Co., Limited.

Dear Sirs,—This fall I got thrown on a fence and hurt my chest very bad so I could not work and it hurt me to breathe. I tried all kinds of Liniments and they did me no good. One bottle of MINARD'S LINIMENT warmed on flannels and applied on my breast, cured me completely.

More Fires.

Fires provoke immediate sympathy for the sufferer and also thankfulness for personal escape. Another thought should be whether one is personally and sufficiently protected. An insurance policy with Perot Johnson would provide for you the desired security and at small expense. Have you enough insurance?

Will House the Guard.

The attitude of the Methodist Guards in allowing the use of the popular race boat Guard to be placed on Cuddi Vidi Lake and participate in our aquatic event this year, is an act greatly appreciated by the Regatta

committee and the public generally. It will not soon be forgotten and certain ought not to be unrecognized. The genuine and commendable courtesy, as noted in the Regatta meeting, exhibited by them towards the success of the Regatta is spoken of on all sides and meeting with well merited approbation. Just after last night's meeting the C. C. C. Boat Club wrote the Committee, intimating their willingness to make provision in their boat house for the Guard. This is a recognition of the courtesy extended by the Methodist Guards last season and is indeed a true and deserved recognition.
