The Paint the Painter Prefers "Matchless" PAINT!

He likes it because every job he uses it on stands as a silent advertisement of his own workmanship and honesty. There's only one objection he might find with it—it lasts so long. But the honorable man—the man who values his honor—recommends "MATCHLESS" for that very reason.

The Eastern Trust Company!

Pitts Building,
Water Street,
St. John's.

Dear Sir,
We beg to draw your attention to the advantages offered, both in the way of security and privacy, by our Safety Deposit system which has recently been installed in our vault. The system is the most modern and complete that is known, and is deposited in a vault of exceptional strength and safety. The boxes are individual and can only be opened with the joint aid of the key in the possession of the Company and of that in the custody of the customer. They are of solid metal and are arranged in nests of fifty, so that no box can be removed from the vault separately from the rest.

The boxes are rented at \$4.00, \$5.00 up to \$20.00 a year, according to size.
An inspection of the installation is invited.
