YOUR KING and COUNTRY WANT YOU

The above is one of the most popular of the many fine patriotic songs now being sung wherever the British flag flies. It has a sweet, pathetic melody and a tender appeal in the simple words. This song has been sung specially by Miss Maggie Teyte (the greatest British Prima Donna) for the Columbia Graphophone Company, who are paying a royalty on each record sold to the Prince of Wales' Patriotic Fund.

We have just received a shipment of 2,000 Columbia Records direct from England—the largest consignment ever received in Newfoundland at one time-consisting chiefly of Patriotic Anthems, Marches and Songs. Among these are:-

God Save the King. La Maresillaise.

Arrival of the British troops Russian National Anthem.

Belgian National Anthem. My Bugler Boy.

Follow the Drum. Bravo, Territorials. Soldiers of the King (new version).

The Finest Novel RALPH CONNOR HAS EVER

"The finest thing Ralph Connor has done, and when we remember his past achievements that is no mean praise. His style throughout is strong and forceful, he has an intimate knowledge of what he is writing about, and his inspired descriptions of the heroisms of the North-West Mounted Police make one glow with the same feeling of pride as do the accounts of our heroes in the battles that are raging now. Ralph Connor shows us what magnificent men and what brave, noble women, the sons and daughters of the magnificent men and what brave, noble women, the sons and daughters of the Empire, are. It is a joy to meet some of our old friends again, and in the dangers and anxieties they undergo they more than ever show of what pure gold they are made." The Kaiser When A Boy.

Even when a child the Kaiser was a very precocious youth. The Even when a child the kaiser was a very precocious youth. The late Mr. W. P. Frith, the famous painter, used to tell a story of the Kaiser's childhood. Wilhelm, when a little boy, was staying with the artist, and on one occasion wiped so much color on his face when in the studio that Mr. Frith had to remove it with turpentine. This painful process annoyed the rebellious young prince, and at its conclusion he administered a violent kick to the surprised artist and then flung himself under a table, where he yelled until he was tired.

While Mr. Frith's method of removing paint from the Kaiser's face was not altogether unlike our process of Dry Cleaning, we are excedingly grateful that our patrons do not adopt the Emperor's way MESSRS. NICHOLLE, INKPEN & CHAFE, LTD., Agents.
