You may have heard it said that the advertisements of a good magazine are a means of education. The same applies to our selection of WALL PAPERS. To see them is an instruction in modern decoration. The only trouble is we have so many good papers it is hard to decide on any one. We are particularly strong in Papers ranging from 40c. to \$1.00 per piece, with Bordering to match at \$1.25 and \$2.50. If we haven't what you want we will order it for you.
