Canada's Most Famous TOBACCO.

Published by Authority.

Upon the recommendation of the Food Control Board, and under the provisions of the War Measures Act, 1914, His Excellency the Governor in Council has been pleased to approve the following Regulations regarding the Sale of Molasses.

W. W. HALFYARD, Acting Colonial Secretary, Dept. of the Colonial Secretary, February 19th, 1918.

(1) No person or firm shall sell molasses wholesale without a license from the Food Control Board empowering him or them so to do, which license shall be issued free.

(2) A sale by wholesale of molasses shall mean the sale at any one time of one or more puncheons or the equivalent in smaller packages.

(3) No wholesaler shall sell molasses to any person without a permit from the Food Control Board, and every application for such permit shall be accompanied by a statement made on oath before a Stipendiary Magistrate or Justice of the Peace by the party seeking such permit stating the quantity in his possession at the time.

(4) Until further notice the wholesale price of grocery molasses shall be 67 cents per gallon, and fancy molasses 77 cents per gallon.

(5) No wholesaler shall substitute grocery molasses for fancy molasses in any sales made by him.

(6) No wholesaler shall sell to any person at any time more than three puncheons of molasses, or the equivalent in smaller packages.

(7) Every wholesaler shall furnish to the Board, on Monday in each week, a statement showing the sales of molasses made by him during the previous week, and to whom, and the stocks on hand, under a penalty of \$20.00 a day for every day's delay in furnishing the same.

(8) No store, other than that of a wholesaler, shall have in its possession at any one time more than one puncheon of molasses of each quality on draught, and two full puncheons of each quality as a reserve, without a special permit from the Food Control Board.

(9) No wholesaler shall unduly withhold molasses from sale, and where the Food Control Board is satisfied that he is so doing, it may take possession of his stock of molasses, and compensate him therefor under the terms of Section 1, Cap. 2, of the Act 5 Geo. V., entitled "An Act to enable the Governor in Council during the continuance of the war to take possession of foodstuffs unreasonably withheld."

(10) For every offence against these Regulations, except as provided in Section 7, the penalty shall be a fine of not less than Five Hundred Dollars and not more than One Thousand Dollars for every puncheon of molasses involved, and, in default of payment, imprisonment for not less than One Month or more than Two Months, half the fine in each instance to go to the informer and the balance to the Food Control Board, while the molasses in question, in any case where an offence is proven, shall be confiscated and sold by public auction, and the proceeds handed over to the Food Control Board. feb21,3t

Typewriters at a Bargain!

A FIRST-CLASS Typewriter at \$65.00.

Exactly the same as that we sold to one of the largest local manufacturing companies 5 years ago, and of which, writing to us in Nov. of last year, they said: "The Typewriter purchased on March 4th, 1913, is exactly the same as you represented it at the time of sale, and is still giving entire satisfaction." You can have the same service and the same satisfaction if you buy your Typewriter from us, for every Machine we sell carries with it a DOUBLE GUARANTEE—the Manufacturer's guarantee and our guarantee.

We have also just received a WIDE CARRIAGE UNDERWOOD TYPEWRITER, only one, you get it for \$95.00, which is from \$50.00 to \$75.00 less than you can buy this Machine anywhere to-day. Come in and see it. If you can afford to pay \$50.00 for a Typewriter, come in and see the No. 7 REMINGTON we have, that we are selling at \$60.00; you never saw a greater bargain. No excuse to do without a Typewriter now—at these prices it is a necessity. Remember, we guarantee them, and remember we are saving you from sixty to eighty dollars, according to the Machine you buy.
