Coughs and Colds Are dreaded by Mothers who do not know of

seed and Turpentine. What a weight of responsibility rests on the mother of the family during the cold weather season. In every cough and cold she seems to hear the warning and cold she seems to hear the warning of serious developments. She dreads croup, bronchitis, pneumonia and consumption and realizes that these are the natural result of neglected colds.

But Dr. Chase has provided a prompt reilef for coughs and colds and a preventive of more serious ailments of throat and lungs, in his Syrup of Linseed and Turpentine.

This medicine is so well-known that only a reminder is necessary to most people to recall its effectiveness in relieving croup, bronchitis, asthma and
