THE RECENT CASE OF DEATH by strychnine poisoning from taking SYRUP OF HYPOPHOSPHITES, noticed in the Montreal Daily Witness, of August 1st, renders great caution necessary not to confound Dr. Wilson's Compound Syrup of PHOSPHATES and Syrup of HYPOPHOSPHITES. Observe well the difference in orthography, and bear in mind that medicine which there is no small risk in either effect.

ALLEN'S LUNG BALM is the great modern remedy for Coughs, Colds, Consumption, Asthma, Croup, and Bronchitis. It is recommended by Physicians everywhere, who are acquainted with its great value.

Dr. A. L. Scovill, of Cincinnati, Ohio, says: "I have witnessed its effect on the young and the old, and I can truly say that it is by far the best expectorant remedy with which I am acquainted. For coughs, and all the early stages of lung complaints, I believe it to be a certain cure; and if every family would keep it by them, ready to administer upon the first appearance of disease about the lungs, there would be very few cases of fatal consumption. It causes the phlegm and mucus to rise without irritating those delicate organs, and without producing any considerable irritation of the throat. It also gives strength to the system, and no more than a healthy state. It also gives strength to the system, and no more than a healthy state. It also gives strength to the system, and no more than a healthy state."
