WILLOW CITY

On main line of Grand Trunk Pacific, and Pacific and Hudson Bay Railway

At the junction of the Fraser and Willow Rivers—the geographical, strategic and commercial centre of British Columbia—within more than 1000 miles of navigable waterways, is the very heart of thousands of acres of the most fertile and productive land in the world—the logical distributing point for the Peace River country and the rich Cariboo mining district.

The great natural advantages that brought Fort George so prominently to the front are not only repeated at WILLOW CITY but are supplemented by many others.

With the Grand Trunk Pacific building into WILLOW CITY from the east and west and with the assurance that their line will be completed into WILLOW CITY before the close of next year; with the Pacific and Hudson Bay Railway having reserved large trackage and depot sites in WILLOW CITY and their engineers on the ground surveying their terminals; and with the Cariboo, Barkerville and Willow River Railroad assumed as sufficient for the most careful investor.

WRITE TODAY for maps, plans and printed matter about WILLOW CITY, where every investor, just as they did at Fort George, will reap the profits sure to be made on lots bought now, and secure the advance bound to take place from time to time as the railroad approaches.
