TEXAS MANHUNT!

Some 1,200 Persons Engaged in the Chase of Mexican Bandits.

Austin, Tex., June 20.-Many new posses have been organized and started out in search of the band of Mexicans, of which Gregorio Cortez is the leader, who committed the recent murders of Sheriffs Clover and Morris and Ranchman Schnabel. Every county in Southwest Texas has organized armed forces out looking for the fugitives. There are probably 1,200 men engaged in this man hunt.

There are many reports in circulation as to the direction the fugitives have taken. A Mexican answering the description of Cortez was seen in the southern part of this county last evening and a search has been in progress for him all day. It is also asserted that Cortez was seen 150 miles south of here yesterday, and that he is making his way towards the Rio Grande. Several large posses are following the latter clue.

As a result of this excitement two Mexicans have been shot and killed and one hanged because they were believed to keep order and eject malcontents. The excitement among the Mexican population is growing.

the crowd outside the hall and the police, and the latter had the greatest difficulty in quieting the assemblage. No casualties were reported.

The Daily Mail asserts that the promoters of the Queen's Hall meeting secured the services of 900 or 100 "stalwarts" as stewards. These "gangs of foreign ruffians" were found inside the hall, according to the Daily Mail, ready to keep order and eject malcontents. The "stalwarts" were drawn from the lower class of foreign clubs in Soho. Many were armed with sticks, and the Daily Mail says they acted with unrestrained violence in excluding loyalists and throwing out undesirable persons.

HONORED BY OXFORD.

London, June 20.-At the convocation held at Oxford University this morning the honorary degree of Doctor of Laws was conferred upon Dr. C. A. Briggs and Dr. Francis Brown, of the Union Theological Seminary, New York.

BALFOUR SHOCKED.

A. J. Balfour, first lord of the treasury, in a speech at a Conservative banquet, made a strong protest against the action of the Bannerman party, countenancing the Boer movement, thereby prolonging the war and adding to the already great difficulties and sufferings.

"It is a scandalous and shocking thing," said Mr. Balfour, "that such men should, before the whole world, accuse their fellow-countrymen and soldiers of carrying on war by barbarous methods."

GERMANY'S TARIFF POLICY.

The German Government, says the Berlin correspondent of the Daily Express, has definitely adopted the single tariff system in respect to all commercial treaties.

PLOT AGAINST JOSEPH.

A dispatch to the London Daily Express from Vienna says that two members of the meeting many jingoes gained an entrance to the hall which was filled from floor to ceiling. Much shouting, mingled with cheers, greeted the delegates upon their arrival, and during the evening the delivery of speeches was attended with some difficulty from the same cause.

HENRY WAS THERE.

Henry Labouchere presided at the meeting, and Justice Mr. Sauer, minister of public works of Cape Colony, was prominently pro-Boer, including John Dillon, leader of the Nationalist party; David Lloyd-George (Welsh Nationalist); James Keir Hardie (Socialist), and Sir Willfrid Lawson, were present.

During the meeting fully 10,000 jingoes, who were outside the Queen's Hall in Regent street, blocked traffic and necessitated relays of policemen to keep a semblance of order in the crowd.

The usual speeches were made and the usual resolutions were carried amid much commotion and excitement. The speaker would pay the amendment in favor of the complete independence of the Boer republics, proposed by Baron Battema for the approval of the Labouchere party. The meeting ended with the singing of the Marseillaise.

DEUTSCHLAND'S FASTEST TRIP.

Plymouth, June 19.-The Hamburg-American line steamer Deutschland arrived here at 8:15 a.m. today having beaten her own speed record. She covered 2,682 miles in five days, eleven hours and fifty-one minutes, at an average speed of 23.38 knots, her best previous speed record.

THE KING EDWARD.

Glasgow, June 20.-The steamer King Edward, which was built by Denny Brothers, of Dumbarton, and which is fitted with Parson's turbine engines, had a preliminary trial at Wemyss Bay today. The trial was regarded as very satisfactory. The vessel developed a speed of between 19 and 20 knots an hour. It is stated that she was very steady, and there was no vibration whatever.

THOSE ISLANDS.

The Copenhagen correspondent of the London Daily Mail cables his paper that the United States sent another note to Denmark to the effect that if Denmark is not willing to sell her West India Islands the United States must demand that Denmark fortify the garrison the islands of St. Thomas and St. John, which would command the Nicaraguan canal.

The situation is regarded seriously here as Denmark cannot dream of undertaking the erection of fortifications and the maintenance of garrisons, which would cost several millions.

SUICIDE OF TWO CANADIAN FARMERS

Napines and the Neighborhood of St. Catharines Were the Scenes.

Napines, June 20.-Malcolm Macpherson, a farmer 48 years of age, who lives in Ernestown township, committed suicide Tuesday night by cutting his throat. Despondency over reverses sustained in the Northwest a few years ago is supposed to be the cause.

St. Catharines, Ont., June 20.-A startling tragedy occurred a few miles outside the city limits late on Tuesday afternoon, when Mr. Hodgkinson, a well-known trapper and farmer, committed suicide by blowing off the top of his head with a shotgun.

Shortly after 10 o'clock he came into his house by the back door, having been out working on the farm, took his shotgun and walked through the house and out on the green in front of the house. The report of the gun was heard, and rushing out, Mrs. Hodgkinson found her husband lying dead on the green. The deceased had taken off one shoe and jammed a large hole in his sock, so that the great toe protruded. Then, placing the muzzle of the gun in his mouth, he put his toe on the trigger, shooting himself in the mouth and blowing off the top of his head. His hat was found with a large hole in the crown. The gun had been loaded with No. 2 shot. He was 55 years of age, and had been a widow, five sons and two daughters.

MYSTERIOUS TRAGEDY.

Shamokin, Pa., June 20.-Daniel Richards, aged 29, of Green Ridge, was found dead on the porch of the home of his intended bride in Mount Carmel, with a bullet hole in his right temple. Young Richards was to have been married the same day to Miss Elizabeth Walters, daughter of Harry Walters. The young man called at the Walters house the night previous and shortly after 10 o'clock started for his home in Green Ridge, a distance of three miles. That was the last seen of him by any member of the family until his body was found on the porch in the morning. Miss Walters said there had been no quarrel between them and that Richards appeared to be in
