*A week ago J. M. McCutcheon, a
teacher in a St. Thomas school, re-
ceived word that his father, W. H.
McCutcheon, of Hibbert, was unwell.
He went to his home, the father hav-
ing gone to Chicago to have the bene-
fit of the best surgery in removing an
obstruction in the throat, which caused
swollen glands. The operation took
place, and the patient was unable to
take the shock. The body arrived
Friday morning. Deceased

pany, Hamilton. The family lived
and died in the city of St. Thomas.

50 years old, a Freemason, and
member of the A. O. U. W. He
was a widow, seven sons and three
daughters. J. M. McCutcheon, St.

CITY NEWS.

Miss Malcolm, of Paris, is visiting
London friends.

We trust July will be on speaking
terms with the sunshine.

Mrs. J. Y. Wood, of Paris, is visit-
ing Mrs. Munson, South London.

July won't have to strain itself to
make a better record than June.

There's no point to the manner in
which a woman sharpens a pencil.

The "balmy days of June" have only
a historical interest for us this sum-
mer.

If the weather man does not feel
ashamed of himself, he certainly
should.

Capt. and Mrs. Trethewey, of Owen
Sound, are on a visit to friends in
London.

The man who inquires whether it's
hot enough here had no show so far
this year.

Miss Percival, of this city, left Sat-
urday night for Chicago on an ex-
tended visit.

What the summer hotel-keepers
think about the weather wouldn't look
well in print.

This is a time when the opinions of
medical experts cost less than they do
at a murder trial.

Things get woefully mixed some-
times. A woman calls her dog darling
and her husband a brute.

Chawley—"Are you fond of onions?"
Toby—"That depends upon who eats
them, I or somebody else."

Miss Nora Gardner, of Dover,
England, is spending the summer with
Miss Ethel Millar, 70 Elmwood
avenue, South London.

A pretty church wedding was that
of Miss Frances L. Bowler, daughter
of Mr. and Mrs. Frank T. Bowler,
and John Edward Pendergast, printer,
of Detroit formerly of this city, which
was solemnized recently at Holy
Trinity Church, Detroit. The cere-
mony was performed by the Rev.
Joseph D. Pendergast, O. P., of Col-
umbus, O., a brother of the groom.
Miss Mattie Powers acted as maid of
honor. Miss Mary Watts was one of
the bridesmaids, and Miss Anne
Edgerton the second. Frank Pender-
gast was the best man, and Charles
Pendergast and Frank Bowler assis-
ted as ushers.

The death of Miss Rachel McGaffin,
eldest daughter of Mr. George McGaf-
fin, occurred on Friday at the family
residence, lot 6, con. S. London town-
ship. She was a highly popular young
woman, and her death will be great-
ly lamented, both in this city, where
the family formerly lived, and in the
country. Miss McGaffin, who was 17
years of age, had been ill for a month.
Besides her parents one sister sur-
vives.

Mr. Thos. Woodburne, Principal of
the Chesley avenue school, was pre-
sented with a handsome toilet sent by
a number of the senior scholars in his
room Friday afternoon. The schol-
ars have been promoted to Rectory
street school, and decided to show to
Mr. Woodburne in a tangible manner
the esteem in which he was held.
Closing exercises were also held and
a pleasing programme was rendered.

The Hamilton Spectator of Saturday
night says: "A number of Centenary
Church people were at the Grand
Trunk station this morning to meet
Mr. and Mrs. Hewlett, of London,
who are en route to England. Mr.
Hewlett will spend six months at the
visiting the musical centres of Eng-
land and Germany before returning
to take up his residence in this city."

The several properties belonging to
the estates of the late Robert and
Wm. Reid, were offered at auction
by J. W. Jones on Saturday after-
noon. A vacant lot on the corner of
Sydenham and Richmond streets, 80
feet by 150 feet, sold at \$30 a foot.
The other properties were withdrawn.

There is a vacancy in the proof-
reading department of one of our
contemporaries. The society editor
had a real lovely article about "bony
June brides," but it came out "bonny
and of the rams," and the society
editor is divided 'twixt tears and laughter.

The engine on the Grand Trunk ex-
press, due here at 6.15 p. m., broke
down at Paris on Saturday afternoon
and could not be repaired at that
station. An engine was sent from this
city, and the train arrived an hour
and a-half late.

Dr. J. S. Niven has been confined
to the house for a week past with
blood poisoning in the left hand.
Last night the amputation was per-
formed, and the well-known physician
will probably be laid up for two or
three weeks further.

The Richard Mansfield Company
passed through the city yesterday af-
ternoon en route from Detroit to
Hamilton. The company travelled in
a special train of five cars.

Misses Ethel B. Howie and Gertie
Baptia have returned home from Ot-
tawa, where they have been attend-
ing the Normal School for the past
ten months.

The Ameer of Afghanistan has just
married five new wives. This means
that the Ameer encounters five times
more trouble than the ordinary June
bridegroom.

Here is a good old-fashioned gag:—
The other day we heard a man ask a
group of boys whom he met:—"Well,
how does your corporosity seem to
sagittate?"

The Grand Trunk city ticket office,
Crick Corner, Richmond and Dundas
streets, will be open this evening for
the sale of excursion and other
tickets.

June appears to be trying to escape
the reputation of being the bride's
month by the postponing of the cele-
brations of light-dress functions until
July.

Mr. and Mrs. Vivian Reeves, of this
city, are spending a few days with
their daughter, Mrs. Fred J. Eveleigh,
Westmount, near Montreal.

Mr. Justice Meredith has dismissed
the motion of Mr. Bartram in the
case of the People's Building & Loan
Association vs. Stanley.

Owing the heavy rain the 7th Regi-
ment did not parade to St. Andrew's
Church yesterday forenoon as had
been intended.

Miss Clara Murray, of Wilton Grove,
is holidaying at Port Stanley.

*Ernest A. Davey, of St. Thomas,
met with a very unfortunate and pain-
ful accident at Pinaford Park Thurs-
day evening. He was participating in
some friendly fencing with a friend,
using as "weapons" two pieces of
stick, the ends of which were very
ragged. The stick in the hands of his
friend struck Mr. Davey in the left
eye, piercing the optic. As soon as
possible Mr. Davey was conveyed to
the offices of Gustin & Lawrence, who
at once had him removed to the hos-
pital. The eye was found to be ter-
ribly injured, and it is doubtful if it
can be saved. An effort, however, will
be made to preserve it. The accident
was purely accidental.

*Rev. James Livingstone, pastor of
the Windsor Avenue Methodist Church,
who goes to his new pastorate at Pe-
rth on Thursday, was presented
with some easy chair Friday
morning.

THE TRAVELLERS' ANNUAL PICNIC

Will be Held at Port Stanley
on August 16th Next.

LARGELY ATTENDED MEETING

To Forward Arrangements—Great En-
thusiasm Shown—This Year's
Outing to be a Record-Breaker—
The Committee and Officers
Chosen.

A largely attended meeting of the travel-
lers of Western Ontario was held in the
rooms of the Travellers' Club, Masonic
Temple, on Saturday night. It was called
for the purpose of organizing and select-
ing committees in connection with the
travellers' picnic, which will be held on
Saturday, the 16th of August next, at
Port Stanley. The utmost enthusiasm
prevailed. The personnel of the commit-
tees appointed is a guarantee that not-
withstanding the unequalled success that
always attends the gripmen's efforts in
matters of social entertainment the ap-
proaching picnic will eclipse any hitherto
held. Amongst those present at the
meeting were Messrs. H. E. Buttery,
Fred Kerrigan, R. B. Wanless, E. R. C.
Struthers, C. E. Perry, S. F. Glass, W.
E. A. Best, C. E. Mountjoy, Alf Gunther,
John Fried, O. E. Breuer, C. Zwickler,
S. F. Lavasseur, L. C. Johnston, J.
Rolle, R. D. Kilgour, Bert Lind, A. W.
Fraser, A. T. Edwards, J. A. Connor, E.
Wesley Webb, B. S. Murray and others.
Mr. Ed Struthers occupied the chair,
and in the absence of Mr. Frank A. Mc-
Cormick, honorary secretary of the com-
mittees, Mr. S. F. Glass acted as secre-
tary.

Mr. Buttery, president of the Travel-
lers' Club, expressed his pleasure at see-
ing so many turn out to assist in pro-
moting the interest of this annual event.
It must not be supposed that this was
the club's picnic, but in the broadest
sense of the term the picnic of the West-
ern Ontario commercial travellers. He
would ask the co-operation of every
traveller in this year's outing, and he
knew he could say that, great as was
the success of the previous picnic, it
was not the interest of the year's outing,
but the interest of the year's outing,
which was the object of the meeting.
He promised to make it a record breaker,
and he would ask the co-operation of every
traveller in this year's outing, and he
knew he could say that, great as was
the success of the previous picnic, it
was not the interest of the year's outing,
but the interest of the year's outing,
which was the object of the meeting.

The following committees were then
selected, with power to add or replace for
non-attendance or lack of interest in the
work:—
General and Supervisory Committee—E.
R. C. Struthers (chairman), F. A. Mc-
Cormick (secretary), C. S. Hyman, M. P.,
