Rich Strike at Cobalt.

Cobalt, Sept. 28.—On Thursday afternoon a rich strike was made on the U.S. Cobalt mine in Bucke township, adjoining the Chambers-Ferland property. The strike is a vein of Argentine, ten inches wide, which will run 1,000 to 2,500 ounces of silver to the ton. The find is twenty feet from the main shaft in a drift on the first level at a depth of fifty feet.

The British Columbia Stock Breeders' Association will use this column for advertising pure bred live stock. Any provincial breeder having pure bred stock for sale may send their advertising matter, along with the amount of money they wish to expend for this purpose of the secretary who will contribute a similar sum from the funds of the Association and send to three papers in the province. Address all communications to F. M. Logan, secretary, Parliament Buildings, Victoria, B.C.
