GO CAREFULLY.
A special meeting of the town council is called for this evening to consider the matter of the purchase of motor trucks.

So far as we are able to judge these trucks will be required only for permanent street work and their purchase should be carefully considered before being agreed to.

There is no doubt about the economy of motor trucks in road building, but does the town of Campbellton contemplate going into this business. Would it not be better for the town to let a contract for this work.

The whole matter needs considerable study and we trust our council will not rush into the purchase of an expensive road building plant at this stage of the game.

TIME FOR A SETTLEMENT.
It is now over a year since Mr. Fred LeBlanc sustained a painful and serious injury to his right leg by accidentally stepping into one of the many holes which punctuated almost every yard of our old plank sidewalks.

So far as we can learn, nothing has been done on the part of town officials whereby a satisfactory settlement of the matter may be accomplished.

It would appear that those in local authority have not taken sufficient interest or trouble to fully acquaint themselves with the lamentable circumstances of the case. Surely, did they possess a complete knowledge of the matter, they would be not only willing but anxious to deal sympathetically with the victim of the affair and effect a liberal or, at least, a just settlement.

As already stated, more than a year has elapsed since the accident. To Mr. LeBlanc, this means one year of his life lost, for he has been incapacitated for that length of time. What his misfortune represents to him in a financial way we cannot ascertain, but it can be easily imagined what a year of illness would mean to any young man endeavoring to build up a business. "Hard Luck" is what we would all call it; but it is infinitely worse luck to receive such inconsiderate treatment from the town council as Mr. LeBlanc has received.

While it is true that the party mentioned was able to be about for a time last fall, it is also true that he has been confined to his home nearly all winter and that he has been bed-fast for about three months of that time.

It is safe to say that, were the victim of this misfortune a man of wealth and influence, the case would have been disposed of long ago and, most likely, at a much greater cost than the small amount of damages which Mr. LeBlanc has requested.

This delay is manifestly unjust. Some definite steps should be taken at once.

Monday—OVER THE HILL—Tuesday

ILLEGAL SALE OF LIQUOR DECREASING

Washington, May 16—According to Prohibition Commissioner Haynes and other dry enforcement officials, the inflow of illegal liquor from Canada is rapidly decreasing. Prohibition directors in border states and in the states some distance south of the border, into which run runners have carried large amounts of liquor in swift automobiles, report to Washington a steady falling off in illicit operations.

NEW SOUTH WALES HAS UNEMPLOYMENT SCHEME

London, May 17—The New South Wales cabinet has decided to allocate £100,000 sterling for public works for the purpose of helping to absorb the unemployment in that part of Australia, according to a Renter despatch from Sydney.

GET YOUR TICKETS EARLY.

Tickets for "Over the Hill" the big Wm. Fox production which is to be shown at the Opera House next Monday and Tuesday are now on sale during evenings at the Box Office.

Reserved seats will NOT be sold for this engagement and as hundreds have expressed their desire to see this picture, patrons are urged to purchase their tickets in advance and avoid the inconvenience of the rush hour just previous to showing time.

The Box Office is open every evening from seven to nine thirty o'clock and as a special accommodation for this engagement will also be open all day Monday starting at 10 a.m.

Admission prices have been set at a minimum far below that charged in many places so that all may have an opportunity to enjoy this splendid film. It is only through the hearty support of the public that the engagement can be made to pay and the management are relying on a "turn-out in force" to back them up in this policy of price reduction. Schedule of prices will be found in adv. on page 8.

OBITUARY.

Edward L. O'Brien.
Edward L. O'Brien, M. A., Bathurst, Gloucester county, was found dead in his bed on last Sunday morning. He had not been in good health for some time, but his condition was not supposed to be serious. Deceased was a son of the late John E. O'Brien, in his day a shipbuilder and leading citizen of Bathurst. He studied in St. Joseph's College and the U. N. B., making an excellent record, and became a school teacher. He taught school in St. John, among other places, and finally for some years filled the position of school inspector in the northern part of the province.

Retiring from school work, he became police magistrate at Bathurst and registrar of probates, and filled these positions to the great satisfaction of the community. His death at the age of 62 will be heard with deep regret throughout the North Shore, and also in other sections of New Brunswick, where he had many friends. Mr. O'Brien is survived by two brothers, J. M. O'Brien, Bathurst, and Frank O'Brien, Toronto, and by two sisters, Misses Minnie and Elizabeth. The funeral on Sunday was very largely attended. The procession was headed by the band of the C. M. B. A., representatives of the Assumption Society, the C. M. B. A. and almost the entire membership of the Knights of Columbus. High Mass of Requiem at the Sacred Heart church was celebrated by Rev. John Whalen, assisted by Rev. A. A. Boucher, of West Bathurst, as deacon, and Rev. Father George of the Eudist Seminary as sub-deacon. J. P. Leger, H. A. Mulvaney, R. A. Sutton, E. J. White, B. C. Mullins and C. T. Richard were pall-bearers.

MOORE—Ernest George, only son of George and Florence Moore, of North Nation Mills, Que., died at the Isolation Hospital, Ottawa, April 29th, 1922, at the age of two years, three months and nineteen days. Burial took place at the Gore of Laharbor Cemetery, Sunday, April 30th, 1922. There was an Angel band in Heaven. Which was not quite complete, God took our darling Ernest. To fill the vacant seat.
