CERTIFICATES OF STRENGTH AND PURITY.

OFFICE OF THE PUBLIC ANALYST,
MONTREAL, September 9th, 1933.
To the Canada Sugar Refining Co., Montreal.
Gentlemen, I have personally taken samples from a large stock of your Granulated Sugar, REDPATH brand, and carefully tested them by the Polariscopes, and I find these samples to be as pure as absolute purity, as can be ascertained by any process of Sugar Refining.

The test by the Polariscopes showed in yesterday's report 99.98 per cent. of Pure Cane Sugar, which may be considered commercially as ABSOLUTELY PURE SUGAR.

LADIES!

Do not be misled by blather-kite advertisements but call and see the Fine Furs manufactured by the oldest and most reliable FUR HOUSE IN THE DOMINION.

We misrepresent nothing. Every article we offer is just as we represent it, and do not give it some fictitious name in order to make a sale. We have genuine Black, Brown, Grizzly, Cinnamon and White Bear Skin, Lynx, Alaska Sable, Mink and other Fashionable Boas.

In the manufacture of our Sealskin Garments we use the ALASKA SKINS-ENGLISH DYE and do not manufacture any Northwest coast or Lobo Skins, which should be sold for about half the price, but will give no wear and is just like throwing money away to buy garments made from that class of skins.

We employ none but first-class furriers and finishers, our trimmings are of the best quality, therefore our goods are right

The Policy enables you to leave an estate that cannot be taken from those you love by any circumstances. It will secure your wife freedom from those distressing experiences which come to the destitute. It secures means to continue the education of your children and maintain as to the destitute. It secures means to continue to live off before they are able to care for themselves. ITS ANNUITY BOND WILL PROVIDE A COMFORTABLE LIVING FOR YOUR OLD AGE.

"Much of the unequalled success of the NORTH AMERICAN LIFE as a Home Institution is to be attributed to its very liberal and varied forms of insurance, combined with its liberal principles and practices, and especially to its prompt payment of all just and approved claims, upon maturity and completion of proofs, a practice introduced here by the Company, which has continued to afford the representatives of deceased Policy-Holders the greatest satisfaction."—S.A. 187.
