Baby's Own Tablets are the best  
medicine a mother can give her little  
ones. They are absolutely safe, being

contain no opiates or other harmful  
drugs. They cure constipation and in-  
digestion, expel worms, make teething  
easy, in fact, cure all the minor ills of  
little ones. Concerning them Mrs.

children and always with the best of  
results. I can recommend them as a

### Westgate—Weedmark.

A quiet wedding took place on Wed-  
nesday, April 17th, 1912, at the home of  
Mr. and Mrs. Wm. Weedmark, when  
their eldest daughter, Gertrude May, was  
united in marriage to Mr. George West-  
gate, of Warwick. The ceremony was  
performed by the Rev. R. Stephenson.  
Promptly at five o'clock the bridal party  
entered the parlor to the strains of  
Lohengrin's wedding march, played by  
Miss Ruby Williams. The bride, who  
was attired in white swiss embroidery  
and unattended, was given away by her  
father. The large number of beautiful  
presents testified to the esteem in which  
these young couple are held by their  
many friends. Congratulations being  
over guests numbering about sixty-five

after which the happy couple left for  
their home on the fourth line east, War-  
wick, carrying with them the good  
wishes of a host of friends.

### Song of an Anti-Suffragette.

Tell us 'ye winged winds this story of  
the deep  
O'er which the world is mourning with a  
heart too sad to weep.  
Tell us for we marvel, in glancing down  
the list—  
Why so many women rescued? Why so  
many brave men missed?  
Why the numbers so unequal, in this day  
of "equal rights"?  
That watchword of our women proclaim-  
ed from many heights.  
How can she talk of injustice meted out  
to women when  
Aboard the doomed "Titanic" the gov-  
ernment was men?  
We see their noble sacrifice through eyes  
bedimmed with tears,  
We will write it on our memories and  
pass it down the years.  
O, fair deluded suffragette! Why will  
ye clamour so?  
And for a mess of pottage inherent  
prerogatives forego?  
In this day and generation to a woman  
well refined,  
Is surely granted suffrage, yea the suf-  
frage of all mankind.  
O, women of our nation be womanly  
and true,  
And the best of England's manhood will  
lay down his life for you.  
There is no dearth of valiant hearts! Yea  
in this very hour  
Chivalry is rife, and "Knighthood is in  
flower."  
Then go ye ocean winds, whisper to the  
suffragette  
Of all the noble deeds you saw, lest she  
forget, lest she forget,  
And to the men who rule our land, we'll  
be loyal, true and true,  
Ah! window-smashing "Emeline," we  
have no use for you.

## Chi-Namel Demonstration AT THE CHI-NAMEL STORE

—ON—

**TUESDAY AND WEDNESDAY,  
April 30th, May 1st**

We have the sales agency for the line of all-purpose  
varnish, which is so far ahead of any varnish that has ever been  
sold in this community, that we particularly desire an early  
opportunity to show its good points to some member of every  
household in our business district.

What we want you to know about this wonderful  
varnish is something that cannot be told; but we can show you  
in a very few minutes that you get more for your money every  
time by using Chi-Namel Varnish for floors, woodwork, furniture,  
or anything about the house on which varnish is used.

This varnish is furnished in the natural color and  
also in a full variety of colors. It can be hammered and boiled  
and otherwise abused without showing any signs of abuse. Any  
amateur can apply it to large surfaces and get just as smooth a  
finish as a professional finisher—no laps, no brush marks, no  
blotches to make a patchy appearance.

You will thank us for this invitation after you  
have come to know all about it.

Other features we want to show you are the  
Chi-Namel Ready-to-Use Graining Process, by which you can  
cover all blemishes in your old floors and make them any color you  
wish, and also produce the grain of oak or other woods.

Old carpets can be made into rugs and a new  
hardwood border will take the place of the ugly flooring at a cost  
of but 2c. per square foot.

We will gladly explain all these features at our  
store if you give us the opportunity.
